U. S. Jet Reported Downed By Missile

Pilots Say Plane Hit Near Hanoi

SAIGON (UPI)—A U.S. Navy jet attack bomber was shot down today about 50 miles south southwest of the North Vietnamese capital of Hanoi. Returning pilots said it was hit by a surface-to-air missile.

The Russians are known to have provided the North Vietnamese Communists with such anti-aircraft weapons.

No parachute was sighted from the downed plane and it was presumed the pilot was killed.

FLYER IDENTIFIED

The pilot of the crippled Skyhawk was identified as Lt. Cmdr. Francis Roberge, a native of Salt Lake City whose wife and three daughters live in Armona, Calif.

Another single-seater A4 Skyhawk was crippled in the same blast but the pilot managed to reach the carrier Midway and make a night landing with jet fuel pouring from a shattered wing.

If the missile report is confirmed, it will mark a previously undisclosed site of the deadly missiles supplied by the Soviets to North Viet Nam. One other U.S. plane has been downed by a missile during the war.

RECENTLY BOMBED

U.S. planes recently bombed known missile sites in the Communist North. Pilots reported knocking out one and damaging another.

In South Viet Nam, Gen. William C. Westmoreland, commander of U.S. Forces, made a secret flying visit to the besieged U.S. Special Forces camp at Duc Co in the central highlands and barely escaped Communist mortar fire.

Mortar shells began falling moments after a helicopter carrying Westmoreland lifted off the air strip. A C123 transport on the strip was given hurry-up orders to take off. No casualties were reported.

A prolonged communist siege of the vital camp was broken at least temporarily yesterday by the government force moving in from Pleiku.

On the ground, a military spokesman reported that marine units suffered "light casualties" in five separate small actions against Viet Cong guerrillas yesterday. Six guerrillas were killed and eight captured in the clashes.

The downed Skyhawk was one of four on a search and destroy mission from the U. S. carrier Midway. Just previously, the Skyhawks had damaged a truck on a road 130 miles

Rec Board Critical Of Park Priorities

By FRANK FARRARA

Marin County parks and recreation commissioners bristled yesterday because supervisors picked two potential state park sites without hearing from the commission.

Supervisors recommended Tuesday to the State Department of Parks and Recreation that Chileno Valley and Dillon Beach Dunes be listed in the state park inventory as potential sites.

County Commission Chairman Gibbs H. Lawson said it was unfortunate that supervisors passed the park report without a full hearing.

"At least, this commission had never heard of the report until it was prepared, passed upon and forwarded," he said.

Commissioner Mrs. Elizabeth Davies said, "Important matters like this should have our consideration. Otherwise, we are useless."

Commissioners concurred on the choice of Chileno Valley, and directed Lawson to notify supervisors they felt the matter should have had commission study.

Fred L. Jones, State Parks and Recreation Director, requested supervisors to make their site recommendations and

OLD CHANT OF JUSTICE SOUNDS IN COURTROOM

"Hear ye, hear ye, hear ye," is ringing through a Marin Municipal Courtroom these days.

Judge Alvin H. Goldstein Jr., who took the bench July 1, has requested that his court be opened with the time-honored call of the bailiff, rather than the usual, "Please rise, Municipal Court, Department Three, Central Judicial District, County of Marin, is now in session, the honorable Judge Alvin H. Goldstein Jr., presiding."

The new chant: "Hear ye, hear ye, hear ye. Department three of the Municipal Court is now in session. All those having business before this honorable court come forward and you shall be heard."

"It's nicer," the judge said.

Sausalito Trustees Unanimously Pass Integration Plan

Million Dollars In Buildings, Sweeping Reforms Scheduled

By STEPHEN COOK

Sausalito School District trustees last night unanimously adopted a plan to desegregate their schools this year after that plan received no criticism—only praise—from 75 persons crowded into the district office.

The board also approved as a general outline, a plan calling for sweeping reforms in the district's education program and a three year building program which would require a million dollar bond.

The unanimous votes, met with applause from the standing-room-only audience, were hailed by board president David Freedheim as "a monumental and exciting step for this school district."

The plans were proposed at a public meeting Monday night by a three-man study team composed of Dr. Virgil S. Hollis, acting superintendent of the district; Dr. Richard L. Foster of Greenbrae, superintendent of the San Ramon Unified School District, and Dr. David Shapiro, assistant superintendent at San Ramon.

"To my knowledge this is the first school district in the state of California to completely desegregate on a district-wide basis," Hollis said.

Last night's board action means that as of Sept. 13:

1. All kindergarten students from the entire district (Sausalito and Marin City) will attend Manzanita School in Marin City. Also attending the school, previously with Negro children from Marin City in kindergarten through fourth grades, will be children in the district's new pre-school program.

2. First grade children from the entire district will attend Bayside School in Sausalito.

3. All second and third graders will attend Bayside School in Sausalito.

4. All fourth through eighth graders, plus four classes from Mill Valley, will attend Richardson Bay School in Sausalito.

The board's action came on a motion by Harold L. Sleight, the trustee who asked most questions of the plan during a two-hour board and audience discussion period. Sleight is also one of only two members remaining from the district's old board after the April elections.

Most of the questions directed to Dr. Foster about the plans concerned changes in the district's educational program. The only question dealing directly with the desegregation plan concerned the district's busing capacity.

Foster told the board they would be busing 180 children more under this plan than they did last year. This cost would be carried 100 per cent by the state, he said.

Most questions came on Dr. Foster's suggestion that the district's classrooms be arranged on a "cluster" basis.

Foster explained that they

Military Pay Bill Sent To Johnson

WASHINGTON (UPI) —Congress today sent President Johnson a billion-dollar military pay bill that will mean raises for servicemen by Sept. 1.

An 11 per cent hike will go to enlisted men with more than two years service. All officers, as well as enlisted men with less than two years in uniform, will receive a 6 per cent boost.

The total cost to the taxpayer will be $1,084,029,000 — more than twice the size of the $447,000 bill recommended by President Johnson.

Convicts Escape At San Quentin

Guard Tricked By Call

Two convicted robbers, after careful planning and with help from a mystery accomplice, escaped from San Quentin Prison last night.

They were still at large today, the object of a police dragnet in Marin.

Prison officials said that Donald Padgett, 31, and Harold Roney, 35, made a 12-foot hook out of a piece of pipe and bent piece of steel to pull themselves over the wall near the prison cotton mill at 11 p.m.

GUARD DISTRACTED

They went over the wall while one of the tower guards was distracted by a telephone call. Identity of the caller, believed to have called from within the prison, was not known today.

Morning fog, rolling inland from the bay hampered the search for the inmates.

When the alarm was raised soon after midnight, the prison's escape plan was put into operation and about 15 guards joined eight sheriff's deputies and other police in the search. Prison officials would not say if the search was concentrated in any specific area.

San Rafael police patrol cars checked out two men seen early today near Terra Linda but they were found to be local workmen.

TRACKS SPOTTED

Several armed prison guards were combing the swamp area north of Auburn Street south of San Rafael city limits this morning. Tracks in the area were later found to be those made by an earlier search party.

The convicts, who have prior escape records and convictions for armed robbery, left behind the 12-foot pipe with a hook on the end. Adhesive tape had been used to wrap the pipe for a grip in the hand to hand climb.

Once on the other side, they raced 440 yards and cleared the outside eight-foot wire fence.

Padgett and Roney made their escape pipe from part of the air conditioning system in the cotton mill where they worked in the finishing department, said prison officials. They were on the night shift that ended at

SUN BACK AFTER SURPRISE STORM

Wettest August Day In Bay Area History Leaves Damage And Death In Its Wake

Sunny normalcy returned to Marin County today as police, firemen and utility companies sat back to assess effects of the wettest August day in Bay Area history.

The storm, which began with a sleep-disturbing electrical storm early yesterday, continued to drop rain on some areas as late as 9 p.m.

It brought as much as 1.22 inches of rain to parts of the county before it dried up and went away.

The Weather Bureau said it was the worst August storm in the entire 115 years that records have been kept. During that time, rain has fallen on San Francisco in August only seven times.

As late as last evening, the weathermen still feared the spectacular freak weather might continue through today, but skies cleared up and today's revised forecasts called for mostly fair weather in California through tomorrow.

Damage ranged from wear and tear on the nerves to death and property damage as dozens of cars piled up on suddenly slick Northern California highways.

In Marin, highway patrolmen were swamped with a rash of accidents on Highway 101. Firemen and Pacific Gas and Electric Co. crews were plagued by arcing wires and power interruptions.

In Novato, six persons were hurt in two accidents during the storm, according to police.

Four persons, three of them children, were treated for bruises at Hamilton Air Force Base Hospital after a car driven by Mrs. Jewell D. Williams, 33, of 572 Ignacio Boulevard, Novato, hit a parked car near her home at 8:58 a.m. yesterday.

Treated were Mrs. Williams and three youngsters: Zelpha Williams, 9, Teresa Williams, 7, and Margaret Brown of 680 Norman Drive, Navato.

Police said the parked car was owned by O. C. Pierce of 640 Ignacio Boulevard.

A four car crash on South Novato Boulevard at 11:55 a.m. injured two, of which one was hospitalized.

Mrs. Ethel M. Randolph, 21, of 1504 Vallejo Avenue, Apt. 1, Novato, was in good condition today at the base hospital, where doctors feared she had a broken vertebra.

James A. Simontacchi, 22, of 859 Atherton Avenue, Novato, was to see his doctor for back pains.

Police said Mrs. Randolph

U.S. Policy On U.N. Expected

UNITED NATIONS, N. Y. (AP) — Ambassador Arthur J. Goldberg opened a round of diplomatic talks today amid expectations the United States is abandoning its attempt to deprive the Soviet Union of its vote in the General Assembly because it refuses to pay $62.2 million in peacekeeping assessments.

U.N. diplomats expect Goldberg to unveil Monday a revised U.S. policy before the General Assembly's 33-nation committee on peacekeeping operations. Some Republican members of Congress are certain to object.

Goldberg, the new U.S. ambassador to the U.N. was expected to confer with delegates on possible ways to solve the crisis caused by refusal of Russia, France and 11 other nations to pay their peacekeeping dues.

Long McNamara Honeymoon With Congress Seems Over

Pentagon's Boss Loses On Pay, Merger Bills

PENTAGON CHIEF TALKS—Secretary of Defense Robert McNamara talks with reporters in the Capitol yesterday, following a closed-door session with the House Foreign Affairs committee. He said that from May through July, the Viet Cong lost about 7,500 troops; South Viet Nam about 3,100 and the United States about 130. (UPI Telephoto)

WASHINGTON (AP) — Congress' long if not ardent honeymoon with Secretary of Defense Robert S. McNamara appears finally over.

His old mastery was missing as Congress put its foot down twice yesterday — going its own way on a military pay bill and turning a deaf ear to his strong arguments for a merger of the Army reserves.

The Reserve plan, a particularly pet project, was killed at least for this year by a House Armed Services subcommittee headed by Rep. F. Edward Hebert, D-La.

Despite McNamara's arguments to the contrary, the subcommittee said the proposed merger would result in "an immediate and serious loss in combat readiness" and is "not in our national interest."

On the other side of Capitol Hill, the Senate was giving an 89-0 approval of a $1-billion military pay bill, much the same as already passed by the House, but more than twice as much as McNamra wanted. The House appeared likely to give quick approval to the Senate version.

A Defense Department statement, not quoting McNamara, said Secretary of the Army Stanley R. Resor and Gen. Harold K. Johnson, chief of staff, both believe the subcommittee's rejection of the merger plan "will compel the Army to retain nonessential units" rather than use the manpower to build up more important forces required by war contingency plans.

Moreover, the statement said "failure to go forward with the realignment will necessarily result in more men being taken out of civilian life into the armed forces."

The statement noted the subcommittee's expressed willingness to consider future reorganizations and said the department "is prepared to continue discussions immediately."

McNamara is said still to have hopes of reviving the plan, or one similar to it, next year.

The proposal that was turned down was to streamline the Reserves by cutting out low priority units and consolidating the high priority ones within the National Guard. When McNamara announced the plan Dec. 12 he expressed belief he needed no other congressional authority than a simple change in the appropriations bill.

Senate In High Gear On Johnson Programs

WASHINGTON (AP) — Like a slot machine when someone hits the jackpot, the Senate spewed out yesterday a pay load of Johnson administration legislation and appointment confirmations seldom matched in modern times.

Working with a blinding speed foreign to its nature, the Senate:

Passed by a 57-33 vote a bill establishing a housing and urban development department. This measure, terms of which must be compromised with the House, creates an 11th Cabinet post after 10 years of controversy.

Whoop through by a unanimous vote of the 89 senators present a $1-billion pay increase for 4 million service personnel. This was not, however, an unalloyed administration success. The increase is more than twice the $447 million President Johnson proposed and administration spokesmen argued for. The bill was sent to a Senate-House conference to iron out differences.

Rammed through and sent to the President on a voice vote a $115-million Peace Corps authorization stripped of a provision aimed at preventing director Sargent Shriver from heading both this activity and the antipoverty program.

Rode down scattered opposition and confirmed on a voice vote Johnson's appointment of Abe Fortas, his long-time lawyer friend, to the Supreme Court. Also approved by similar votes were the nominations of Judge Thurgood Marshall, a Negro, as solicitor general and John W. Gardner of New York as secretary of health, education and welfare.

Without stopping to catch its breath, the Senate confirmed 15 other nominations and passed a half dozen minor bills.

Astronauts' Rendezvous Plans Told

CAPE KENNEDY, Fla. (AP) — Most of the excitement and suspense of next week's Gemini 5 flight may be packed into the first six hours when Air Force Lt. Col L. Gordon Cooper Jr., and Navy Lt. Cmdr. Charles Conrad Jr., will attempt the world's first space rendezvous with a satellite they call the "Little Rascal."

In disclosing details of the flight plan today, the National Aeronautics and Space Administration said the rendezvous maneuver would be conducted from the second to the fifth orbits. It will be a rehearsal for the Gemini 6 flight scheduled in October, during which Navy Cmdr. Walter M. Schirra Jr., and Air Force Maj. Thomas P. Stafford are to try to link up their spacecraft with another satellite.

The space agency said the flight was scheduled to start Thursday at 9 a.m. (EST) from Cape Kennedy, with a Titan 2 rocket serving as the booster. Gemini 5 is to settle initially into an orbit ranging from 100 to 219 miles high — 43 miles higher than any U.S. astronaut has flown, but short of the Soviet record of 307 miles.

The flight is to last 191 hours 53 minutes, just seven minutes shy of eight days and will end with a landing in the western Atlantic, about 500 miles southwest of Bermuda. Cooper and Conrad are to circle the globe 121 times.

Two Army Pilots Killed In Crash

EDWARDS AIR FORCE BASE (AP)—The Air Force reports that a plane with two Army pilots aboard has crashed on the northeast portion of this vast desert test center, killing both men.

The plane, a U8D Twin Beechcraft Bonanza, went down during a thunderstorm yesterday on a return flight to Edwards from Yuma, Ariz.

Killed were Maj. Austin K. Veatch Jr., 38, and Capt. Richard D. Johnson.

Cause Of Silo Explosion Probed

SEARCY, Ark. (AP)—The Air Force says it will probably at least 10 days before it's known what caused an explosion and fire in a Titan II missile complex, killing 53 civilians.

A 30-man investigation team continued today its inspection of the blackened launch tube of America's mightiest ballistic missile—scene of the worst tragedy in the history of America's space and missile systems.

Secretary of the Air Force Eugene M. Zuckert and an Arkansas congressional delegation went into the underground complex yesterday, but returned to Washington without revealing any findings.

Draft To Get Tough For Students

NEW YORK (AP)—Some Selective Service boards say they will tighten rules deferring college students from the draft in the Viet Nam crisis.

Draft boards that have been liberal in giving students deferments in the past say they are going to get tough to meet heavy draft calls beginning next month.

A sampling of 20 states showed 13 planning to review the status of deferred students. At least two others in the survey are considering such action.

"If we need men to draft, one place we'll look is the college classroom," said Lt. Col. Wayne Rhodes, deputy state director of the Indiana Selective Service System.

Medics Told They Can Shun Medicare

CHICAGO (UPI)—The American Medical Association advised its more than 200,000 members yesterday that individual physicians can legally refuse to treat patients who receive federal medicare benefits.

The AMA warned, however, that if "physicians acting in concert through medical organizations" refuse to participate in the medicare program, they run the risk of violating anti-trust laws.

The new AMA statement, issued from its Chicago headquarters, marked a departure from the stand of some other medical groups and from previous statements of AMA President Dr. James Z. Appel.

Rioting Erupts In Los Angeles Negro Neighborhood After Arrest

LOS ANGELES (AP) — Wild rioting erupted in a crowd of 1,500 persons last night and squads of helmeted policemen were pelted with rocks, bottles and bricks as they swarmed into the predominantly Negro neighborhood.

Deputy Police Chief Roger E. Murdock said about 10 of the 100 officers were injured and 15 rioters arrested. He said many Negroes were injured by flying objects thrown at motorists but few required hospital treatment.

As the riot increased in violence early today, a television station's 1965 station wagon mobile unit was overturned and burned. Police said rioters attacked fire units at the scene, breaking windshields with rocks and bottles.

Murdock said 40 squad cars with 100 officers were dispatched to the scene with orders to arrest persons "for any violation they see."

Residents of the suburban Watts neighborhood told police that many of the rioters were breaking store and apartment windows and some looting was reported.

Murdock said the riot started out 7 p.m. when a California Highway Patrol officer arrested a Negro on suspicion of drunken driving. He said a crowd gathered as the suspect's mother began arguing with officers and then erupted in violence when she was arrested.

Rioting grew in intensity throughout the evening as Negroes — mostly teen-agers — pelted motorists and police with rocks, bottles and bricks.

Police said at least 50 vehicles were damaged, including a bus that had nearly all of its windows broken.

Robert Hall, who identified himself as a spokesman for the Nonviolent Action Committee said: "We've been expecting this for a long time. It's a warm night and there isn't much we can do about it.

"I asked the police to pull out to see if the rioting would subside but it didn't work. It just got worse," he said.

Murdock said the neighborhood would be "saturated" with officers to prevent further violence.

"We're lucky," he said, "because tomorrow is a working day and we won't have the crowds to fight."

One of those booked was Marquette Frye, 21, driver of the car that was stopped by highway patrolmen. Officers said he was booked on suspicion of drunken driving, battery on a police officer and resisting arrest.

His brother, Ronald, 22, a passenger in the vehicle, also was booked on suspicion of battery on an officer and on interfering with an officer.

Their mother, Rena, 49, also was booked on suspicion of interfering with a police officer.

Beauty Divorces Actor Ty Hardin

MIAMI, Fla. (AP) — Marlene Schmidt, 28, Miss Universe of 1961, has asked for a divorce from actor Ty Hardin, 35, on grounds of extreme cruelty.

The German beauty said the marriage went badly from the start.

She left her husband in June 1964 and at the time told newsmen there were no hard feelings.

CUBAN SUSPECT IN CELL ALONE

Exile Charged With Piracy, Murder Put In Solitary For Own Protection

MIAMI, Fla. (AP) — A Cuban exile charged with piracy of the coastal freighter Seven Seas and the murder of five fellow seamen has been placed in a cell alone "for his own protection."

At no time will Roberto Ramirez, 35, be allowed to mingle with other prisoners, said Sgt. Harold Adams of the county jail, "because of the circumstances of the case."

Ramirez, a muscular, dark-skinned Cuban national, was taken to the 8x10, windowless cell last night after the federal government decided it had jurisdiction over the slayings aboard the Seven Seas.

A U.S. commissioner signed the warrant and a hearing was set for today.

The violence aboard the Seven Seas started, Ramirez reportedly told federal authorities, when the captain and the crew threatened to report him for favoring Cuban dictator Fidel Castro.

The captain was shot to death on the bridge and thrown overboard. Three crewmen were shot in their sleep, and a fourth was killed and thrown into the Atlantic Ocean off the Florida Keys.

The only crewmen to survive was Elvin Burywaise, 17, who cowered in a chainlocker after he saw one shooting. He was rescued when the Coast Guard spotted the freighter drifting up the Gulf Stream Sunday afternoon.

A sixth crewman, the cook, apparently drowned when he jumped overboard to escape Ramirez.

For two hours Ramirez tried to sail the Seven Seas, apparently south toward Cuba where his wife and three daughters still live. The Coast Guard believes he had to abandon ship when the main tanks ran out of fuel and he didn't know how to switch to the full auxiliary tanks.

Ramirez was picked up early Tuesday 50 miles south of Miami in a 14-foot skiff from the Seven Seas.

Pennsylvania produces about 65 per cent of the world's supply of anthracite coal.

NO LICENSE?—The Tennessee Safety Department yesterday threatened to revoke Jimmy Pippin's driver's license and seize his license plates unless he filed a report on a traffic accident. Jimmy, 11, of Oak Ridge, wrote he'd only drunk one root beer before the mishap. Besides, Tennessee requires no license for bike riders. (AP Wirephoto)

DEADLY DESERT HEAT

Mother, Three Daughters Saved; Fourth Child Dies

BAKER (AP) — Two men traveling a little - used desert road rescued a mother and three of her daughters, but were too late to save a fourth daughter who had collapsed from heat prostration, sheriff's deputies reported.

Temperatures near 120 degrees were responsible for the death of Deborah Fredrickson, 12, of Brawley, officers said. Her mother, Mrs. Faye Joyce Fredrickson, 32, and the three other girls, Catherine, 14, Belinda, 11, and Amy, 7, were rescued as they huddled in the shade of a small clump of sage brush.

"My other daughter is back there on the other side of that sand dune," Mrs. Fredrickson told Luther Reese and Frank Clemons, gold miners, when they found her yesterday. "I did everything I could to help her. She died as I pressed my mouth to hers to get her to breathe."

The mother and daughters had been walking on the desert for six hours. She told officers she and her daughters were moving to Las Vegas, Nev., where she had been promised work. She said they left the main roads to visit the Oro Fino silver and gold mine and friends. Her station wagon bogged down in sand, however, and they decided to walk back to the nearest town, Baker.

After walking for hours, "we didn't think we could make it," Mrs. Fredrickson said. "Then Deborah ran ahead. She shouted back to us just before disappearing over a sand hill:

"I will find the way, mother, I'll go ahead and get help.'

"We followed her footprints for about two hours. Then we found her. I tried to clear her throat as she was gasping her last breath. I kept breathing into her mouth, but she turned blue and died as I held her."

No Depreciation For Old House

DENVER (AP)—Charles Temple, Denver manager of revenue, received this communication from a home owner who had just learned his taxes were raised:

"My home must be like wine, the older it gets the better it gets."

India Plagued By Fighting

NEW DELHI, India (AP) — India was plagued today by guerrilla fighting in the Himalayan state of Kashmir and civil disturbances in the eastern and southern parts of the vast subcontinent.

Raiders, the government claims, infiltrated from Pakistan and have ignited hit-and-run warfare in disputed Kashmir. About 50 clashes have been reported in the past six days.

On the eastern side of the map, battalions of troops were flown into Bihar State with orders to shoot on sight at rampaging mobs that have been attacking train stations, post offices and communication lines for three days.

MAN HUNT—Prison guards find fresh tracks in their search for the escaped convicts in swampland north of Auburn Street, just outside the San Rafael city limit and about a mile-and-a-half from San Quentin. But on investigation, the tracks were found to have been made by a previous search party. (Independent-Journal photo)

ESCAPERS

11:30 p.m. Both men were subject to only "spot" supervision and their disappearance was not discovered until a midnight bed check.

The man on the telephone was probably a fellow prisoner.

"We are now looking for this man for he could be an accomplice. Action has already been taken to insure nothing like this call can ever happen again," Associate Warden James W. L. Park said today.

Roney is described as five feet, 11 inches, weighing 158 pounds; with brown hair, blue eyes and a fair complexion. He has a tattoo of a girl's head on his right forearm.

He was convicted for first-degree robbery in Los Angeles and drew a term of from five years to life. In 1957, he escaped from the Chino minimum security prison.

Padgett is also five feet, 11 inches, with brown hair, blue eyes and a fair complexion and weighs 139 pounds.

He was convicted in 1957 from Alameda County for theft and burglary and arrived at San Quentin in 1960 for parole violation and another robbery conviction.

A native of Oregon, Padgett once walked away from the Santa Rita prison farm in Alameda County.

Funeral Code Put Forward

WASHINGTON (UPI) — A code of good practice to require full disclosure of funeral prices was put forward today by the National Selected Morticians Society.

It would require the 800 funeral directors belonging to the organization to offer low - cost burial services and furnish a detailed accounting of all charges to the buyers.

The code also directs undertakers to make possible advance arrangements for funerals and "to assure each purchaser complete freedom to exercise his preference in selecting a funeral service within his means."

Sinatra Mystery Guest Identified

HOLLYWOOD (AP) — The "mystery" guest aboard Frank Sinatra's yacht as it docked off Hyannis Port, Mass., was Mrs. Peter Lawford, says actress Rosalind Russell.

Miss Russell, a guest aboard the chartered yacht as it cruised in New England waters, made the identification from a photograph after she flew here Wednesday night from New York. She left the cruise early to start work in a movie.

Photographers had identified the yacht visitor as Mrs. John F. Kennedy, widow of the President.

Prepare To Bomb China, U.S. Urged

HARTFORD, Conn. (AP) — The United States must spend more on armaments and begin preparing for a nuclear attack on Red China, the chairman of the House Armed Services Committee said yesterday.

"Should we use our atomic power to wipe out Red China's atomic capability?" Rep. L. Mendel Rivers, D-S.C., asked in a speech before the National Convention of Exchange Clubs.

"We must get ready to do this very thing if we want to stop Red China," he said.

In Washington, Rivers listened without immediate comment today as his speech was challenged in the House by Rep. Don Edwards, D-Calif.

Edwards said if Rivers was quoted correctly, "the gentleman has suggested a very dangerous policy for our country."

were now arranged on "homogenous" lines with all bright students in one class, all average in another and all dull students in still another.

Foster recommended that the district mix the classes placing some bright and average children together and some average and dull children together.

Though most audience reaction to this proposal was favorable, Sleight said he would not vote for such a plan. Dr. Hollis explained that this was an issue to be worked out later with the board.

The plan for the building and bond program over the next three years was outlined Monday night by Dr. Foster:

Bayside and Central Schools would operate three more years, then the sites would be sold. A new primary school would be built for about $700,000 and a $150,000 locker and shower facilities would be added to Richardson Bay School. This plus the site work would come to about a million dollars.

New Cabinet Post Gaining

WASHINGTON (SP) — Sponsors of the bill creating a Cabinet Department of Housing and Urban Development predicted today the differences between the House and Senate versions will be settled quickly.

The Senate passed the high-priority administration measure yesterday 57 to 33 and sent it back to the House which had cleared it 217 to 184 June 16.

Voting for it were 47 Democratic and 10 Republican senators. Opposed were 14 Democrats, including 12 Southerners, and 19 Republicans.

send them to Sacramento by Monday.

At the board meeting, Supervisor Thomas T. Storer said he would not vote on sites until he heard from the recreation commission, but voted later when it was agreed that the commission's opinion would be sought.

Lawson said the commission's recommendation was sought "after the fact."

Commissioner Mrs. Adele Alpers noted that if the commission had a quorum last week, it could "have taken more helpful action." The regularly scheduled meeting of Aug. 4 was postponed until yesterday because there was no quorum.

Mrs. Alpers moved that the commission concur with the supervisors recommendation on both sites, but her motion died for lack of a second.

Lawson attacked the Dillon Beach recommendation, speaking both as a commissioner, and as a property owner in the area.

Speaking as a commissioner he said he opposed the Dillon Beach recommendation because development of a state facility there would not be consistent with the county's master plan for parks, recreation and open space.

"I suggest that any proposals for additional state park acquisition be keyed to the plan," he said.

Lawson is president of Dillon Beach, Inc., which operates a day use beach, trailer park, cottages and a general store at Dillon Beach. He said he would abstain from voting because of his personal connections, but no vote was taken.

"Speaking not as a commissioner, but as an involved property owner," he charged that the board's action "throws a cloud on expansion of existing private operations" in the Dillon Beach area.

Walter Horchler of the county planning staff, who recommended Dillon Beach Dunes for a state recreational facility, said state development "would not compete with Dillon Beach, but would enhance that development."

Annex Petition Goes To Board

A Petition for annexation of land in the Nicasio area to the Marin Municipal Water District was received last night by the district board.

Signatures of 60 property owners and residents in the area, bounded by the Big Rock Ridge on the east and the community of Nicasio on the west were on the petition sent to the board by Nick Kobseff, owner of Ranchio Nicasio.

Dist. Mrg. William R. Seeger said today the exact boundaries of the territory, Sandwiched between the existing boundaries of the Marin Municipal Water District and the North Marin County Water District, had not been set as yet.

stopped in the southbound lane to make a left turn, then was hit by Simontacchi's northbound car. Two other southbound cars, driven by Mrs. Margaret J. McNernen, 40, of 280 Sutro Avenue, Novato, and Cliff Jackson, 65, of 1201 Yukon Way, Novato, piled up behind Mrs. Randolph's car, according to police.

The California Highway Patrol blamed several accidents, including five involving injuries, on the slick roads.

Phillip B. Fleishman, 26, of Oakland, was on his way to work at Marin General Hospital at 9 a.m. when his car skidded into a light pole on Highway 17 near the off-ramp to Sir Francis Drake Boulevard.

He was listed in satisfactory condition at San Rafael General Hospital today with scalp and forehead cuts suffered when he was thrown from his Porsche coupe by the impact.

Mrs. Barbara Zrnich, 39, of 11 Ayala Court, San Rafael, and her son, David, 3, were treated for minor injuries at San Rafael General Hospital at 9:20 a.m. after their car hit the guard rail on the San Rafael overpass of Highway 101.

Mrs. Zrnich said the back wheels of her southbound car locked.

Alfred R. Cordeiro, 18, of 83 Smith Ranch Road, San Rafael, suffered minor injuries in a one-car accident on the Forbes Overhead south of Terra Linda at 11:25 a.m.

Wet pavement on the north side of Alto Hill was blamed for a one-car crash in which Barbara Lee Prince, 39, of Marina Vista Road, Larkspur, suffered cuts. She was reported in satisfactory condition today at Marin General Hospital.

Patrolman Ted McGuire said reports on several other accidents during the storm had not yet been completed today by officers.

The Novato Fire Department reported arcing power lines in front of four homes between 8:34 and 11 a.m. yesterday.

Most widespread power failure came when a falling tree limb hit a line on Sir Francis Drake Boulevard in Lagunitas, interrupting service for 350 PG&E users from 4:45 to 5:15 p.m., according to electrical superintendent Leonard O. Robertson.

Three other interruptions were reported, Robertson said, with each affecting only a single home. These came at 11:44 a.m. at 18 Sais Avenue, San Anselmo; at 4:24 p.m. on Bear Valley Road, Inverness Park; and 7:05 p.m. at 1516 San Anselmo Avenue, San Anselmo.

In other parts of California, the rare storm ignited more than 260 small brush and timber fires—(of which 110 were seen by a single Madera County lookout tower) set off roof fires when lightning hit homes, contributed to several traffic deaths and knocked a Berkeley radio station off the air for a few minues.

Strikes by snake tongues of lightning were reported from the Oregon border to Santa Barbara County.

Highest rainfall reported in Marin during the storm was 1.22 inches in Sausalito and Belvedere. Other readings were Tamalpais Valley, .79 of an inch; San Rafael, .78; Fairfax and Novato, .7; Muir Woods, .68; Lake Lagunitas, .65; Ross, .64; San Anselmo, .58; Kent Lake, .54; Inverness, .50; Woodacre, .48; and Point Reyes Station, .32.

south of Hanoi with 2.7 inch rockets without encountering any anti-aircraft fire.

An Air Force F4C phantom jet was downed July 24 by what appeared to be a SAM. It was the first American plane brought down by the Soviet-made missiles and it crashed 40 miles west of the North Vietnamese capital of Hanoi.

The missile sites are known to ring the Communist capital.

At Pleiku, 30 miles to the east of Duc Co, American paratroopers and infantry were ready to reinforce the government troops at a moment's notice. Elements of the 173rd Airborne Brigade and the 1st Infantry Division were flown to Pleiku in an emergency airlift in the past two days.

The government relief column, supported by armor and fighter bombers, pushed into Duc Co along strategic east - west Highway 19. The road runs through central Viet Nam from Cambodia to the coastal city of Qui Nhon on the South China Sea.

D. FRANK MONTE
Civic leader dies

OBITUARIES

Hub Leader Frank Monte Dies At 56

D. Frank Monte, San Anselmo civic leader and president of the Monte and Banfield Chapel of the Hills funeral home corporation, died today at his home at 1429 Butterfield Road, Sleepy Hollow. Aged 56, he had suffered a brief heart ailment.

In 1936, Monte went to work for what was then the Guy W. Jenness Funeral Home in San Anselmo. He served a two-year apprenticeship, then entered the San Francisco College of Mortuary Science.

On completion of his education, he returned to the funeral home as manager. In 1941 he bought the company. It was incorporated in 1954 and assumed the name, Monte and Banfield Chapel of the Hills.

Monte served on the San Anselmo city council from 1943 to 1947. He was mayor from 1945 to 1947.

Monte was born in San Francisco, son of a seaman who sailed yearly on the Balclutha, the vessel docked now at Fisherman's Wharf, to fish for salmon.

He moved to San Rafael in 1923 and entered San Rafael High School. There, he wrote the school fight song, played on the football team and was head yell leader.

He then attended Santa Clara College, then the University of San Francisco, from which he graduated.

He was chairman and auctioneer of the bond drives in San Anselmo in 1941. He was also March of Dimes chairman for San Anselmo and received a special commendation from President Franklin D. Roosevelt.

Monte was a charter president of Fairfax Parlor of the Native Sons of the Golden West No. 309, past Grand Trustee of the Native Sons of the Golden West, a member of the finance committee of the native sons, past president of the San Rafael Eagles and San Anselmo Druids, a member of San Rafael Elks Lodge No. 1108; past president of the San Anselmo Fireman's Club.

Surviving are his wife, Evelyn A. Monte; his son, Charles E. Monte of San Anselmo; his daughter, Mrs. Sandra McCarthy of San Anselmo; his mother, Marie Pagliano of San Francisco; his sister, Mrs. Lucille Vallerga of San Anselmo; and one grandson.

Funeral will be held Saturday, 9 a.m. at Chapel of the Hills Mortuary, San Anselmo. Burial will follow at Mt. Olivet Cemetery, San Rafael.

NEVA BECKSTEAD

Mrs. Neva O. Beckstead of 79 Clyde Avenue, San Rafael, died in a San Francisco Hospital yesterday after a long illness.

Mrs. Beckstead, a native of Brownville, Neb., had lived in California for the last 22 years. Her husband, Darrel H. Beckstead, works as an industrial engineer for the United States government.

She was a member of the Order of the Eastern Star in San Rafael.

Surviving besides her husband are a daughter, Rolayne K. Beckstead of San Rafael, a son, Craig H. Beckstead of San Francisco, her mother, Mrs. Della M. Gaskill of San Rafael, three sisters, Mrs. Crystal Knopp of Table Rock, Neb. and Mrs. Pearl Greer of Sandy, Utah, and three brothers, Edward Parker of Bend, Ore., Newton J. Gaskill of Salt Lake City, Utah, and James M. Gaskill of Ogden, Utah.

Funeral will be held Monday, 11 a.m., at Harry M. Williams Mortuary, San Rafael. Interment will follow at Mt. Tamalpais Cemetery, San Rafael.

Flora Perkins Dies At 91

Flora M. Perkins, 91, of 33 West Blithedale Avenue, Mill Valley, died at a local hospital yesterday where she had been since a fall, while on an art field trip June 30.

Mrs. Perkins a member of the Outdoor Art Club of Mill Valley for 50 years, suffered a broken hip at Golden Gate Park and was hospitalized ever since. She spent the first week after the fall in a San Francisco hospital before being transferred to Marin.

A native of San Francisco, Mrs. Perkins had lived in Mill Valley since 1908. She was the widow of Walter O. Perkins, who worked for the Wells Fargo Bank in San Francisco. He died in 1949. Mrs. Perkins leaves no immediate survivors.

Funeral will be held tomorrow, 2 p.m., at Russell and Gooch Mortuary, Mill Valley. Inurnment will be private.

JOSEPH BOSQUE

Joseph A. Bosque Sr., 70, of 1448 Pastel Lane, Novato, died today in a local hospital of an apparent heart attack.

He was born in San Francisco, Nov. 14, 1894. He had lived there until moving to Novato 14 years ago. He was a veteran of World War I. He was a retired director of the National Catholic Community Service — USO in San Francisco, a position he had held for 20 years prior to retiring in 1956.

He was a 50 year member of the Ignation Council No. 3 of the Young Men's Institute of San Francisco; a member of the Donald V. Westlund Post 7816 Veterans of Foreign Wars and the Holy Name Society of Our Lady of Loretto Church, Novato.

He is survived by his wife, Anne J. Bosque of the home; six sons, Joseph A. Bosque Jr. of San Francisco, William F. Bosque of San Francisco, Robert J. Bosque of Belmont, Paul V. Bosque of San Rafael, John L. Bosque of San Francisco and Donald J. Bosque of Novato; two daughters; Mrs. Gregory Collins of San Francisco and Mrs. John Kelly of San Mateo; a sister, Mrs. Charles F. The recitation of the rosary will be at 8 p.m. tomorrow at the Redwood Chapel Funeral Home, Novato. A Requiem Mass will be at 9:30 a.m., Saturday at Our Lady of Loretto Church, Novato. Interment will be in Holy Cross Cemetery in Colma.

Spiritual boquets are perfered by the family.

A. M. KIRKEWOOG

A retired longshoreman, Arne Marius Kirkewoog, 67, collapsed at his home at 146 Hawthorne Avenue, Larkspur, early today and was dead on arrival at Marin General Hospital.

Death was due to a heart attack, the county coroner's office said.

Born in Norway, Kirkewoog served for 23 years with the Pacific Maritime Assn. in San Francisco.

He is survived by his wife, Ellen; a son, Arnold Edward Holch Kirkewoog of Livermore; a brother, Ole Olsen of Riverside and a sister, Mrs. Martha Dowd of Mesa, Ariz.

The coroners office said today Kirkewoog had a history of a heart condition.

Services are pending.

GLORIA AFFONSO

Mrs. Gloria Rosalie Affonso, 34, of 784 Clausing Avenue, Novato, died today in a San Francisco Hospital after a long illness.

She was born in Dixon, Solano County, Feb. 5, 1931. Her parents, the late Manuel A. Lopes and Laura Lopes moved to Mill Valley where she attended school and graduated from Tamalpais High School. Her husband, John George Affonso, is the president of Rainbow Plastics, Inc., of San Rafael. They have lived in Novato for the past 13 years.

She was a member of Our Lady of Loretto Chapter of the Catholic Daughters of America and SPRSI Council 94 of Novato.

MARINITE DIES IN AUTO CRASH

Thompson Joseph Neill Jr., 34, of 99 Duran Drive, Terra Linda, died yesterday morning in a head-on auto collision on Highway 37 500 feet west of the Sonoma Creek Bridge in Sonoma County.

Neill was en route to Mare Island Naval Shipyard, Vallejo, when he crashed into a westbound car driven by Edmondo Benedetto, 44, of Martinez. Neill was killed instantly, according to the California Highway Patrol. Benedetto was taken to Vallejo General Hospital, where he was listed in good condition today with neck injuries, cuts and scrapes.

The California Highway Patrol said Benedetto's car swerved in front of Neill's, slamming into it broadside.

Neill was one of six persons to die yesterday in traffic accidents in Sonoma County.

Two victims, Irene Alice McDonald, 39, of Forestville, and William Edward Azevedo, 39, of Santa Rosa, died last night when their cars crashed head-on on Guerneville Highway west of Santa Rosa.

Frank Hunkiewitz of San Francisco was killed earlier in the day when his sports car collided with a grain truck.

William Joseph Head, 25, of Santa Rosa, was thrown from his car and killed when the auto went off Rincon Road in Rincon Valley east of Santa Rosa.

The other fatal accident involved Virgil Bentley of Benicia, who died in a Healdsburg hospital of injuries suffered Tuesday when he was thrown from a car in which he was a passenger. The accident happened on Highway 101 near Healdsburg.

Neill was a partner and former vice-president of H. Hornbein Inc., San Francisco, an engineering firm which specializes in ship design. He was carrying plans for a Navy project when he was killed.

A native of San Francisco, he had worked for the company since he was graduated from City College of San Francisco 12 years ago. He had lived in Marin for three and a half years.

A member of the United States Auto Club, he raced many times in Indianapolis-class cars.

Surviving are his wife, Jean, of Terra Linda, a son, Stephen Neill of Terra Linda, his parents, Mr. and Mrs. Thompson J. Neill Sr. of Santa Venetia, and a brother, Terrance Neill of Santa Venetia.

Funeral will be held at 2:30 p.m. tomorrow at Keaton's Mortuary, San Rafael. Burial will be in Mount Tamalpais Cemetery, San Rafael.

Boat Owners Will Lose Tax Refunds

SACRAMENTO (UPI)— Controller Alan Cranston today reminded California boat owners that they will no longer receive refunds of the state gasoline tax after Sept. 17.

The tax, now eight cents per gallon, will be held by the state to finance boating facility improvements. The change was made by the 1965 legislature.

Although refund requests may be made up to 13 months after the gasoline purchase, Cranston urged boat owners to apply for the final refunds as soon after Sept. 17 as possible. Refund requests must be supported by original invoices showing the gasoline purchases.

Last year, the state refunded $14 million to boat owners, who got the money because the state normally spends gas tax revenues on highway improvement.

Legend tells that the Indian Cowpah tribesmen punished their criminals by dropping them into the boiling mud pots near the Salton Sea.

Herbert Hoover Historic Site Bill Is Signed

WASHINGTON (AP) — President Johnson honored the memory of Herbert Hoover today with a relative handful of prominent Republicans—among several score who had been invited—attending the ceremony.

Johnson had asked all five living Republicans who have run for president, from Alf Landon to Barry Goldwater, to attend the Hoover ceremony.

None of the five was present. Johnson read a telegram from one, former President Dwight D. Eisenhower, who expressed regret that a long-standing commitment to attend the professional Golfers Association Tournament in Pennsylvania made it impossible to attend.

Under a hot sun in the White House rose garden, Johnson signed legislation creating the 200-acre Herbert Hoover National Historic site in West Branch, Iowa, where Hoover was born in 1874 and was buried last October.

Auto Clouted

Alan H. Doney of Mill Valley Air Force Radar Station parked his car in the lot of the Country Club Bowl on Vivian Way in San Rafael for an hour last night, when he returned a thief had stolen his oil pressure and his temperature gauges, according to a San Rafael police report.

New President Is Elected For Mill Valley Chamber

Charles J. Francis of 3 Capri Court, San Rafael, was elected yesterday to succeed E. R. Pedersen as president of the Mill Valley Chamber of Commerce.

Pedersen, Marin County manager for Pacific Gas and Eelectric Co., has been named Petaluma area manager of the firm and had to resign his chamber position.

Francis, president of the investment counseling firm of Francis and Murray, Inc., in Mill Valley had been first vice-president of the chamber. That position was filled by the second vice-president, Edward M. Mills, co-publisher of the Mill Valley Record. No second vice-president was named.

Peter W. Tibbetts, southern Marin manager for Pacific Telephone and Telegraph Co., was named a director of the chamber.

Syria-Israeli Clash Halted By U.N. Team

DAMASCUS, Syria (AP) — A three-hour tank and artillery battle across the Syrian-Israeli border ended in midafternoon today after intervention by the U.N. truce supervision organization.

Syrian and Israeli planes flew over the battle area but did not make contact, a Syrian army spokesman said.

"An enemy helicopter and ambulances were seen carrying enemy dead and wounded away from the battle area," the spokesman added. He reported Syrian losses in the clash as four soldiers and two civilian workers wounded.

"Our planes provided air cover over the battle to ban intervention by enemy planes which appeared over the Sea of Galilee," the spokesman said.

The battle began shortly after noon, when Israeli tanks and machine guns protecting two tractors in a demilitarized zone opened fire at Syrian positions across the border, the spokesman asserted.

The clash occurred at the site of Syrian operations to divert the headwaters of the Jordan River.

Red Skelton Only Briefly In Court

LOS ANGELES (UPI)— Comedian Red Skelton took the witness stand for only five minutes yesterday to testify in a $380,000 law suit against him after waiting two days in Superior Court.

"It usually takes me longer to bow," Skelton quipped as he left the court.

Skelton is being sued for failing to appear Aug. 24, 1964, at Milwaukee, Wis., for a one-night show.

Dixie State Orders Vote Right Contest

COLUMBIA, S.C. (AP)—Gov. Robert McNair announced today that South Carolina will go to the courts to test the constitutionality of the new federal Voting Rights Act.

McNair told a news conference that he has advised State Atty. Gen. Daniel McLeod to proceed with all legal means to test the law.

Poles Press Bay Student To Be Spy

WARSAW, Poland (AP)—The U. S. ambassador has protested to the Polish government that an attempt to recruit a Stanford exchange student for Polish intelligence work was made by playing on the student's love for his baby daughter.

An embassy spokesman confirmed yesterday that Ambassador John M. Cabot made a complaint Friday to the Polish foreign ministry on the case of James F. Morrison of Kensington, Alameda County, Calif.

The spokesman declined details. Polish comment could not be obtained.

Informed sources gave this account:

Morrison, an exchange student in history at Warsaw University, departed for the United States Aug. 1 with fading hope of ever being able to return to see his 2-year-old daughter, Danusha.

He left her with his divorced Polish-born wife.

Morrison told the embassy he had been contacted by Polish agents in Warsaw, taken for a walk and asked to inform for them.

The agents told Morrison he would need a visa to return to Poland to visit his daughter.

The daughter is an American citizen, born in the United States. The Polish divorce granted custody to the mother.

Morrison reported the approach to American authorities. Despite personal anguish, he followed their advice to leave.

He has spent the past school year in history study at Warsaw University. He met his wife, Iwona, on an earlier study trip to Poland. She became a naturalized American citizen in 1964 but decided to stay in Poland after their Warsaw divorce last spring.

Mrs. Morrison recently was dismissed from her job as receptionist at the U.S. Embassy's English language study laboratory in Warsaw.

Morrison was one of seven Stanford students who studied in Poland the past year under an exchange agreement between Stanford and Warsaw universities.

Two or three Poles attend Stanford each year. The U.S. government contributes travel funds under the international cultural exchange program.

Morrison is a son of James R. Morrison, information specialist with the University of California agricultural extension service at Berkeley.

The elder Morrison was farm editor of the Stockton Record 15 years before joining the extension service.

The family is visiting relatives in Nebraska.

Anti-Viet Nam War Group Goes Ahead

OAKLAND (UPI)— The Viet Nam Day Committee proceeded with plans to demonstrate at the arrival of another troop train today in the face of a warning from the Santa Fe Railroad that the action was "illegal."

The railroad "flatly rejected" a demand from the pacifist group that it stop a train so demonstrators could hand out leaflets and speak to soldiers on their way to ships docked at the Oakland Army Terminal to be sent to the Far East.

Goose, Pigeon Die In Midair Collision

MAXWELL, Calif. (UPI) — A warning to geese: If you see a pigeon, duck! Colusa County Deputy Sheriffs Lorne Troan and Larry Sherin reported recently that they saw a goose and a pigeon collide head on while they were patrolling near here.

They said a flock of geese was flying over when a pigeon appeared, traveling the opposite direction. It collided with one of the geese and both fell to the ground. The crash apparently killed the pigeon, while the goose, which suffered a broken wing, died when it hit

Mental Health Center Names New Executive

Dr. William J. Dickerson, 37, of San Anselmo, has been named executive director of the Marin Mental Health Center at Ross.

Under the newly created title, he will succeed the late Dr. Ernest J. Long, who was clinical director, and Dr. Michael Neal, acting clinical director who resigned for full-time private practice.

The mental health center is an outpatient program of the Marin Mental Health Foundation.

Born in Oklahoma City, Okla., Dr. Dickerson was graduated from the Naval Academy at Annapolis, Md., and now holds a lieutenant commander's commission in the Naval Reserve. He received a bachelor's degree from De Pauw University in 1951 and a doctorate in medicine from University of Oklahoma, taking his internship and residency in psychiatry at San Francisco hospitals.

He has written articles published in many professional journals. He lives with his wife, Ruthanne and two daughters at 123 Sturdivant Avenue, San Anselmo.

Capitol Cleared In Bomb Threat

SACRAMENTO (UPI) — The Capitol was evacuated last night following two reports of a bomb in the building, but no explosives were found.

The building was closed for about an hour while state policemen searched for a bomb. No arrests were made.

A man telephoned the City Office Building and told the operator, "There is a bomb in the Capitol."

The other call was received by the switchboard operator at the Sacramento Union. A man said, "There is a bomb planted over at the Capitol—better hurry up."

Continuance Is Granted Forgery Suspect

Jerry Geronimo Borunda, 27, of 45 Woodland Avenue in San Rafael, was arraigned in Marin Municipal Court yesterday on four counts of felony forgery.

Judge Alvin H. Goldstein Jr. granted a continuance until 1:30 p.m. next Wednesday for plea. Borunda was released on his own recognizance.

He allegedly forged four checks —each about $90—between Oct. 21 and Dec. 21, 1964, with intent to defraud the Top Hat Market, Original Fourth Street Liquor, a Purity Store, and the Emporium, all of San Rafael.

Borunda was arrested by San Rafael police Monday.

Marin Seventh In State Growth

Marin County is seventh in the state in terms of rate of growth in the last five years according to estimates prepared by the State Department of Finance.

The estimate showed that Marin's population had jumped from 146,820 in 1960 to 188,7000 as of April 1 of this year. This is an increase of 28.5 per cent.

Counties growing at a faster rate were Orange, 64.5 per cent; Ventura, 52.1 per cent; Santa Barbara, 43.9 per cent; Santa Clara, 38.7; El Dorado, 37.8 per cent; Riverside, 35.7 per cent, and Kings, 34.1 per cent.

Los Angeles County remained the largest in the state with a population of 6,878,200. Five-year growth rate was 13.9 per cent San Francisco city and county has a total 750,500. Growth rate was only 1.4 per cent.

Two counties lost ground. Modoc dropped 3.8 per cent to 8,000 and Trinity dropped 9.3 per cent to 8,800.

Total state population, up 19.3 per cent, is 18,756, 000.

Lightning Fire Out Of Control

BAKERSFIELD (AP) — A lightning-caused fire in Tecuya Canyon 30 miles south of Bakersfield has burned an estimated 600 acres and firemen don't expect it to be controlled until tonight.

About 550 fire fighters have built a fire line around the blaze which started yesterday when a tall tree was struck by lightning.

Churchill's Widow Asks Ring's Return

LONDON (AP) — Sir Winston Churchill's widow has asked thieves to return a ring given her in 1945 by Soviet Premier Josef Stalin.

Lady Churchill said the ring has "great sentimental and historical value." The ring was among $4,200 worth of jewelry stolen Tuesday from an apartment by two men posing as window cleaners.

Reno's D.A. Hits Release Of Marin Boy

Reno's district attorney yesterday raised a sharp protest against the Nevada Parole Board's plans to parole Jeffrey Kelsey Connell, 21, of Mill Valley next March after four years in jail for a second degree murder conviction.

The board said Tuesday it will allow Connell, one of three youths sent to prison for the 1961 slaying of a Reno grocer, to leave Nevada State Prison Mar. 21 to go to college.

Dist Atty William Raggio of Washoe County said yesterday the parole would be a "mockery of justice," adding that "serving four years is insufficient for the crime of murder" even though Connell has a good record at the prison.

O'Connell's two companions in the 1961 holdup and killing were denied parole. They are Chester Blum, 21, and Frederick Worrell, 20, both of Reno.

Last year, the board planned to give paroles to all three youths, but the trio was kept behind bars after Raggio appeal to the Nevada Supreme Court, which ruled they had to serve at least seven years under the law.

After that ruling, the Nevada State Legislature passed a law permitting an earlier release.

Subway Funds Asked

NEW YORK (AP) — The Transit Authority says it has asked the federal government for $23.5 million to purchase 200 new streamlined subway cars.

Sausalito Board Names Acting School's Chief

The Sausalito School District board last night appointed Kenneth Lowry, administrative assistant to Dr. Virgil S. Hollis, as acting superintendent of the district. He replaces Dr. Hollis, who is leaving on a trip for the East Coast.

Lowry will serve until the board selects a permanent superintendent to replace Marcus Davis, who resigned in June. Dr. Hollis has been acting superintendent since then. The board will interview three to five candidates for the job in closed session Aug. 21. The superintendent may be hired at the regular meeting of the board Aug. 23.

Sausalito School District board also:

1. Agreed to call for bids for painting of interior and exterior of Manzanita School and the exterior of Richardson Bay School. The bids will be opened Aug. 30.

2. Agreed on organization of pre-school and kindergarten program at Manzanita, with a coordinator overseeing head teachers for pre-school and kindergarten.

3. Agreed to pay to more than $500 to employ an intergroup relations consultant with the Mill Valley School District.

4. Agreed to allow inter-district transfers of students to the Mill Valley School District in exchange for students from that district.

5. Agreed to pay $720 to KQED television for educational television service to their classrooms. Half this sum will be refunded at the end of the year by the state.

6. Agreed to pay Dr. Richard L. Foster and Dr. David Shapiro $1,600 for thier consultation on the desegregation plan and to retain Dr. Foster on a consultant basis until Sept. 30.

7. Discussed hiring of classified personnel in closed session.

Pearl Bailey Target Of Suit

LOS ANGELES (AP)—A suit for $20,000 damages alleging breach of contract, fraud and misrepresentation has been filed against singer Pearl Bailey by a sorority alumni chapter at the University of California at Berkeley.

Named defendants in the suit filed yesterday by the alumni chapter of Delta Sigma Theta were Miss Bailey, Associated Booking Corp. of Beverly Hills, and Bob Phillips, Miss Bailey's agent.

The suit contends Miss Bailey was to appear for a performance sponsored by the sorority on April 4, 1964, but she notified the sponsors she was ill. It further claimed it was later agreed she would perform at a later date, but she did not appear.

Trips Abroad

NEW YORK (AP) — More than 2.2 million Americans went abroad last year — more than twice the number of visitors who came to the United States, reports the National Industrial Conference Board.

RCA Work Stopped Two Hours

There was a two-hour work stoppage of Radio Corporation of America stations in Marin yesterday as non-supervisorial employees protested the firing of four RCA men in New York.

A company spokesman said that two men were off the shift at the Point Reyes receiving station and two or three at the Bolinas transmitting station. These represented the non-supervisorial afternoon shifts.

The dispute was settled at 5:30 p.m. when the four New York employees were rehired and a settlement reached. They were fired for refusing to operate new automatic equipment.

Rats are ths most prolific of all mammals and if living conditions are suitable, a female will breed throughout the year.

Tiburon Planners Agree On Year Time Limit To Permits

Tiburon planning commissioners agreed last night that construction under a use permit should begin within a year after the permit is issued by the city.

A use permit issued under present city ordinances would be good forever. The commission made the decision in a work-study session last night at Del Mar School. Hearings before the commission and city council must be held before any change is made in the ordinance, commission chairman Stephen H. Nash explained.

Commissioner Peter Macgowan was appointed to discuss with the Marin County Housing Authority representative possible uses of Hilarita Housing Development and to report back to the commission at another study session scheduled Aug. 18.

Commissioners agreed last night that no long term policy on whether the city would allow construction of private streets should be set, rather that the commission should consider each situation individually.

Highway Job Low Bidder Is Named

E. A. Forde Co. of San Anselmo submitted the lowest of five bids opened yesterday in Sacramento to repair Highway 101 from the north end of the San Rafael viaduct to Puerto Suello Hill, a distance of slightly more than a mile.

The state Division of Highways said the firm's bid came to $87,166.36.

Awarding of the contract is likely within two weeks, the division's information office in Sacramento said today. Work probably will start within four weeks after contract is awarded, and should be finished four months after it starts, the office said.

DR. WILLIAM W. MONAHAN
Crusade coordinator

Ross School Official Aids Area Crusade

Supt. William W. Monohan of the Ross School District, has been nemed chairman of the education division of the Marin United Crusade, according to campaign chairman John D. LaNoue.

Dr. Monahan is chairman of the County School Health Committee and has been active in the YMCA. He will coordinate Crusade activities in 26 school districts in Marin.

The campaign is both earlier and shorter this year than in the past. It will begin Sept. 27 and last 20 days.

LBJ CONTRADICTS VIET POLICY TALE

Denies Rumor That Lodge Testified U.S. Would Stay Even If Saigon Said Go Home

WASHINGTON (AP) — President Johnson, witnessing the oath-taking of Henry Cabot Lodge as ambassador to South Viet Nam, said today the United States never would undertake sacrifices in that country "if its help were not wanted and requested."

Johnson thus added his voice to a round of official clarifications that have followed published reports that Lodge gave senators secret testimony that the United States would keep its forces in South Viet Nam even if their withdrawal was requested by the Saigon government.

Lodge added his voice to the chorus of clarification earlier in the day, telling a reporter, "I didn't say that, I'll tell you that."

The reports that Lodge had said American troops would stay in South Viet Nam even if unwanted had precipitated considerable discussion over the possible new shift in national policy.

Johnson seemed bent on refuting any such conclusion by saying:

"Ambassador Lodge and I are fully agreed on the underlying principle that in Viet Nam we are there to help the people and their government to help themselves. We are not there to substitute our efforts for theirs but to supplement their own brave, gallant and continuing effort of self-defense.

"Our determination is built on their determination. The United States would never undertake the sacrifices these efforts require if its help were not wanted and requested."

Lodge, returning to Saigon for his second tour as ambassador, was given the oath by Secretary of State Dean Rusk while top officials and a sprinkling of prominent Republicans looked on. Lodge was the GOP vice presidential candidate in 1960.

Priest Relieved Of Most Vows

COLOMBO, Ceylon (AP) — Noel Crusz, a former Roman Catholic priest who wants to marry a Ceylonese beauty queen, has been relieved of all obligations and duties of priesthood except celibacy, the acting vicar general of the Colombo Archdiocese said today.

The church official said Crusz had been returned to lay status.

Crusz had been expelled from his order after he applied for release from his vows so he could marry Manel de Silva.

Tam Valley Annexations Approved

The Marin County Local Agency Formation Commission today approved two annexations involving land scheduled for development by Goheen Enterprises in Tamalpais Valley.

Commissioners approved annexation of 56.8 acres to the Tamalpais Valley Sanitary District and 36.4 acres to the Tamalpais Fire Protection District.

The land is northwest of Tennessee Valley Road about three-quarters of a mile south west of Shoreline Highway and is overlapping.

The commission also included a small parcel owned by the Roman Catholic Church to the sanitary district annexation, so that it would not be left as an island as far as sanitation district coverage is concerned. The church lands are in the fire district.

Commissioners Byron W. Leydecker and Bert W. Broemmel were absent.

One Sweet Traffic Jam On This Road

BURLINGTON, Wis. (AP) — There was one sweet traffic jam on Highway 36 yesterday. A tank truck failed to negotiate a curve, went into the ditch and rolled over on its side. Out came 5,800 gallons of molasses.

Police directed traffic until the pavement could be sanded. Then the fire department washed off the highway.

Indians Held In Attack On Anti-poverty Aide

DENNEHOTSO, Ariz. (UPI) —Four Navajo Indians were being held today for arraignment on charges of raping a blonde anti-poverty worker from Massachusetts during a drunken orgy.

Wilson Gray, 20; Wesley Gray, 18; James L. Frank, 22, and Tully Tsosie, 29, all of the Navajo reservation, waived a hearing and were ordered to face arraignment before a U.S. district judge at a later, undetermined date. They were brought before U.S. Commissioner Wallace Crawford Wednesday night and were held in lieu of $5,000 bond each.

A 12-year-old boy also had been taken into custody, but was not brought before the commissioner.

The FBI said the four men were suspected of attacking the blonde while she slept in a hut behind the Navajo meeting house here, Ft. Defiance reservation police identified her as Linda Silverman, 19.

Authorities said the volunteer worker in the domestic peace corps was treated at a Seventh Day Adventist Hospital on the reservation and then was taken to the home of friends at Window Rock.

Investigators said the rape of the girl followed a drinking party at Kayenta early yesterday. The girl had not been at the party, authorities said.

The victim was reported to have bitten one of her attackers on the lip and her night gown was covered with blood.

Only a blanket covered the doorway to the girl's modest hut, authorities said. She was sleeping in a sleeping bag at the time, investigators reported.

Alaska is 480 times larger than Rhode Island.

No Entry

Burglars unsuccessfully attempted to enter Marin Pet Hospital, 140 Jacoby Street, California Park, by removing two louvered window panes next the front door, sheriff's officers reported today.

OUT OF SHAPE? NO JOB? THIS MIGHT BE ANSWER

SAN FRANCISCO (UPI) — Attention unemployed men.

How would you like to spend two weeks getting in shape, then take a healthy outdoor job in the country?

The State of California, using federal money from the Manpower Training Act, began recruiting 500 volunteers yesterday. The men will be paid from $45 to $75 a week plus housing, food and $1 a day incidental, during a two-week "physical conditioning and training course."

The job available at the end of the course is picking tomatoes.

The training day will start with a 5 a.m. breakfast and include workouts in tomato fields near Davis under physical education instructors.

The California Department of Employment listed one major disqualification—color blindness. You have to be able to tell a ripe tomato from a green one.

Water Board Awards $258,264 Contracts

Two contracts totaling $258,264 were awarded by the Marin Municipal Water District board last night for steel pipe and erection of five welded steel water tanks.

The Pacific Pipe Co. of Oakland received a contract for $131,837 to supply the pipe. Its bid was the lower of two received.

The Pittsburgh-Des Moines Steel Co. of Santa Clara was awarded a $126,427 contract for furnishing and installing the tanks.

Location and capacity of the tanks will be one and one-half million gallons in the Strawberry area; 500,000 gallons in the Mesa Vista Area in San Rafael; 250,000 gallons at the Hamilton Avenue site in Tamalpais Valley; 200,000 gallons at the Chula Vista Drive site in San Rafael and 150,000 gallons at the Fawn Drive site in Sleepy Hollow.

Marin Municipal Water District Board also:

1. Approved a purchase price of $4,400 for a 19,000 square foot tank site on the San Anselmo Ridge between Terra Linda and Sleepy Hollow on property owned by Harry H. Heifetz of San Rafael. The price, negotiated by district manager William R. Seeger, is 10 per cent higher than the appraisal of the property made for the district by appraiser Neil Brodsgar of San Rafael. The tank on the property will eventually serve developments on the property in the area presently owned by five land owners, Seeger said.

2. Authorized Seeger to furnish the salaries and classifications of district employees in compliance with a request from the Independent-Journal.

3. Approved replacement and relocation of 700 feet of water pipe along Windward Road in Belvedere which Seeger reported had broken in several places. The project will cost about $6,000.

4. Approved a recommendation from the district's attorney to negotiate a $250 settlement with Robert Lewis, owner of Bob's TV Service, who formerly owed the district $600 in back rent for land adjacent to the Sausalito water tank site on which his television antenna has been located.

5. Approved purchase of telemetering equipment from the Bristol Co. of Burlingame for $1,776.

6. Authorized Seeger to purchase tires for district vehicles under the county's contract with Golden State Tire Co. of Richmond.

7. Authorized purchase of a truck utility body from the Utility Body Co. of Berkeley for $658.52.

8. Awarded a $3,860.92 contract for a rotary compressor to Western Traction Co. of Hayward which presented the lowest of six bids on the item.

9. Awarded a $2,168.58 contract for purchase of 874 water pipe service saddles to Dande Products of Union City which offered the lowest of six bids on the fittings.

10. Approved relocation of a road and water line at a cost of about $5,000 on Mount Tamalpais. The project on district-owned land, will save pumping costs, Seeger reported.

11. Received a petition signed by 60 property owners in the Nicasio area requesting annexation to the water district.

12. Approved a fire line extension agreement with the City of Mill Valley for water pipe and a fire hydrant on Lee Street.

13. Approved payment of $1,192.56 to architect Roger Ranuio for designs of a sprinkler system.

Couldn't They Treat It Like A Time Bomb?

CHATTANOOGA, Tenn. (AP) — The Police Department was rocked when a weird package rolled into Chief Eugene McGovern's office.

The package addressed to Commissioner James Bookie Turner, contained a transistor radio — turned on and playing rock and roll music.

It was playing when it was mailed, sang its way through the Post Office and twisted from the postman to the chief's desk.

McGovern said that since it was personally addressed to Turner, it would have to keep playing, unopened, until the commissioner returned from an out-of-town trip.

The chief said the package was an advertising gimmick aimed at boosting a local radio station which features rock and roll music.

"Those darned batteries sure are strong," McGovern sighed.

Paradise Park Second Phase Plan Is Approved

The Marin County Parks and Recreation Commission yesterday approved the tentative plan for the second phase of development of Paradise Park on the Tiburon Peninsula.

The job, estimated at $50,000, would include completion of the upper parking lot, additional access to the shore, planting, benches, tables, playground equipment and a horseshoe pit.

The Marin County Parks and Recreation Commission yesterday also:

1. Referred a request from Supervisor Peter H. Behr for scenic road designations to Horchler for study.

2. Referred a memorandum from Supervisor Storer about a possible county park site at Point San Quentin to Walter Horchler of the county planning staff for investigation and report. The location of the site was not identified in Storer's memo.

3. Tentatively scheduled the next commission meeting for Sept. 15 instead of the regular scheduled Sept. 1.

Commissioner Lothar Salin was absent.

Taxpayers Grin And Bear It

PAINESVILLE, Ohio (AP) — Taxpayers grin and bear it in Lake County — at the treasurer's expense.

One home owner sent Treasurer Daniel J. Supanick a 5,000 German mark bill issued in 1923.

"We got stuck paying the five-cents postage for the bill," Supanick said.

Another mailed a box with a torn shirt in it. "You might as well take the shirt off my back," a note in the box read. "You've taken everything else."

Sheriff Finally Collects Election Bet—On Hoof

OMAHA, Neb. (AP) — Chief Sheriff Jack Knudtson had to wait eight months to collect an election bet. And when payment came, it was not only overdue but overweight.

Back last November the deputy bet Al Piersch a pair of steak dinners that majority of incumbents running for re-election would lose.

Knudtson won. But he couldn't collect.

Eight months later Pirsch wheeled the payoff into the Douglas County Courthouse office.

In the grocery cart was a 70-pound calf on the hoof, plus all the other ingredients of a pair of steak dinners.

Best-seller time is tonight

For every I-J advertiser, an advantage in selling

When you, as an advertiser, purchase space in the I-J, your message gains a TIME ADVANTAGE worth dollars and cents in the till. For as an EVENING NEWSPAPER, the I-J reaches your customer prospects at the PRIME BUYING TIME . . . in the evening, when people have the MOST TIME to read and consider your merchandise and prices.

This EVENING READING TIME is nothing to pass over lightly. This is when buying decisions are made . . . when people are relaxed, receptive, actively in search of advertised values. Contrast this with radio, with morning newspapers, with circulars. In the I-J, readers search the ads, page by page. They WANT TO READ, have TIME to read . . . have time to "talk it over," compare, decide. Even the kids get into the act! Small wonder the I-J is Marin's first choice for advertising . . . by both readers and advertisers.

MORE FOR YOUR STORE
The I-J out-sells all other newspapers in Marin. More daily Marin circulation than the Chronicle and Examiner combined.

NEW FORD UTILITY CAR

Ford's new Bronco—a four-wheel-drive utility car—will be introduced into the American market this year. While the market for such cars is only about 50,000, exporting the cars and an expanded market might make it a success. (UPI Telephoto)

Market Closes Higher After Active Trading

NEW YORK (AP)—The stock market closed irregularly higher today. Trading was active.

The averages were off most of the day but picked up somewhat in the final hour of trading.

Anaconda fell about 3 points and Kennecott dropped about 2 on news of a move to nationalize the copper industry in Chile, where they are big operators.

Ekco Products was off about a point on a block of 43,400 shares.

The motors strengthened in late trading with Chrysler gaining more than 1½ points and Ford ahead nearly a point. International Business Machines advanced 6 points.

Volume for the day was estimated at 5 million shares, about the same as yesterday.

Here was the picture near the close:

Anaconda and Kennecott fell sharply on a report of a move to nationalize the copper industry in Chile, where they are the biggest operators. Both issues declined about 2 points.

The market averages reached their lowest stage around midday thek came back but still were on the minus side.

Eastman Kodak lost nearly 2 points and Du Pont was down a major fraction.

The steels were easy with U.S. Steel and Bethlehem adding small fractions.

Chrysler advanced nearly a point and Ford was up about half a point.

The aircrafts again showed strength with United Aircraft ahead by more than a point and Douglas up about half a point. General Dynamics had a small gain.

Eastern Air Lines continued its advance, adding more than a point.

Prices advanced in active trading on the American Stock Exchange.

Corporate bonds were mostly unchanged and Treasuries were firm.

'Super-Profits' Are Lashed In Labor Article

WASHINGTON (UPI) — The AFL-CIO, casting a jaundiced eye on "spectacular" first quarter profits, warns that "super-profits" of U. S. corporations could topple the nation into a recession.

An article in this month's AFL-CIO Journal noted the annual rate of after - tax profits for corporations during the first quarter of this year was $36.5 billion. It said labor was not getting its fair share of increased earnings.

Consumer buying power is also lagging behind the profit boom, the article added.

The article said there was a "growing fear" that a rapid upsimilar increases in wages and salaries will have a depressing effect on the prosperity now being enjoyed by the U. S. economy.

President Johnson apparently does not agree. He has forecast a continuation of the economic boom, which started early in 1961. Johnson also has welcomed the rise in profits as a favorable economic indicator.

Golden Gateway Gets First Steel Column

SAN FRANCISCO (AP) — The first steel column was set yesterday for the 25-story Alcoa office building in Golden Gateway center near the Ferry Building. The $15 million structure should be completed early in 1967.

Northeast Airlines Orders New Planes

BOSTON (UPI)—Northeast Airlines moved to strengthen its bargaining position in seeking a permanent third carrier status on the New York-Florida route by ordering $100 million worth of new aircraft.

However, Northeast officials and the company's new owners, Storer Broadcasting Co. of Miami, said the new planes will be used to build up Northeast as a regional airline if it fails to get a permanent Florida route certificate.

Inventories Up In June

WASHINGTON (UPI)—Business inventories rose again in June but less rapidly than in May, the Commerce Department reports.

The June increase was $570 million compared with $630 million in May.

However, the department noted that the inventory rise of $4.4 billion for the first half of 1965, exceeded the $4 billion gain in inventories for all of 1964.

Bountiful Crops

WASHINGTON (UPI)—Crops in the United States this year may well be the most bountiful in the nation's history, the Agriculture Department says. The department's Aug. 1 crop index was set at 116 per cent of the 1957-59 average, four percentage points above the previous high two years ago.

The Coulter pine is also known as big-cone pine because its heavily armed cones are larger and heavier than the cones of any other pine.

Namath's Future: Jet Ace Or Plain Old G.I. Joe?

NEW YORK (AP) — Will Joe Namath be barking "Hut, Hut" as a $400,000 quarterback awaiting the snap from center or marching to that cadence as a $78-a-month member of Uncle Sam's team?

That became a pressing question when Namath, locked in a three-way battle with holdover Mike Taliaferro and Heisman Trophy winner John Huarte for the No. 1 quarterbacking position on the New York Jets, revealed yesterday that he might be drafted into military service in the near future.

The 22-year-old former Alabama standout was scheduled to take his physical examination Tuesday at his home draft board in Beaver Falls, Pa., but his papers were transferred to Peekskill, N.Y., where the American Football League club is training.

According to a spokesman for the Jets, Namath now is scheduled for a pre-induction examination on or about Sept. 1. Induction would likely be imminent if he passed the physical.

Meanwhile, a spokesman for Peekskill's draft board No. 12 said Namath would go on a waiting list and that it was "doubtful" he would be called for an examination in September or even October. By then Namath will be a resident of New York City and another shift will have to be made.

Also there is some question whether Namath's celebrated right knee on which he underwent an operation last January, will pass the military test as well as it has the football tests in two pre-season games.

"It's up to the doctors now," said Namath, "and I haven't any idea of what to expect."

Coach Weeb Ewbank, however, was far more optimistic about his chance of holding on to Namath.

"In football we've had cases like Namath's before," said Ewbank. "Many of them. And the Army doesn't want a man with a knee case like Namath's. I doubt very much whether he'll be drafted."

Independent-Journal Sports

Thurs., Aug. 12, 1965 17

Namath, along with Taliaferro and Huarte, all are single. Namath, however, is the only one of the trio classified 1A. He was reclassified when he left Alabama despite the fact he needs a few more credits to obtain his business degree.

The other two signal-callers are classified 2S for student because they are continuing their education in graduate schools.

Namath was notified last week to appear before the Beaver Falls draft board, but had his papers transferred to Peekskill. On Monday he was given a note that requested he phone a Peekskill telephone number.

"I really didn't pay much attention," said Namath. "It wasn't until later that I realized it might have something to do with my draft status. So, I went to the draft board and they told me I'd be examined with their next group if I was still in Peekskill and that if the call came after we broke camp the exam would be shifted to Whitehall Street in New York."

Whether the shift in draft boards would affect his status was uncertain.

Otherwise, Namath's chances of staying out of service rest with his knee or any possible marriage plans he might have. His ability to move well in two exhibition games would incate his knee is sound, for football at least, and Namath said he has no marriage plans, temporarily at least.

"I don't even have a steady girl friend," Namath told Dave Anderson of the New York Journal-American, the paper that broke the story of Namath's military problems. "I'd rather fight those Reds in Viet Nam than get married. There are too many pretty girls in the world."

Namath, labeled Can't Miss by most expert observers, underwent an operation for the removal of cartilage from his right knee and was pronounced fit for football by the Jets' orthopedic surgeon. However, he still takes strengthening exercises for the knee and wears a protective, metal-lined elastic brace.

The Jets lured him into the AFL in a battle with the St. Louis Cardinals of the National League, offering Namath a contract that reportedly calls for a long term pact with a bonus and salary in the neighborhood of $200,000, and the other $200,000 spread over a number of years.

Novato Kids Shoot For Division Title

North Cal Tournament At Oroville

Novato's Little League All-Stars, a team that has demonstrated a double punch of power hitting and clutch pitching, starts play tomorrow in the Northern California Divisional L.L. tournament at Oroville.

First foe of the Novatans will be Rancho Cordova, a small community east of Sacramento. That game starts at 6 p.m. The tourney actually gets started today, with the other two sectional champion teams—Briarwood of Santa Clara and Hayward National—meeting at 6 o'clock.

Winners of the games today and tomorrow will meet Saturday at 6 p.m. for the championship, and the losers will play at 10 a.m. in a consolation affair. Division champ will earn a berth in the Western Regionals in Portland, Ore., scheduled Aug. 19, 20 and 21.

SECTION CHAMPS

Manager Sheridan Moats' Novato boys scored a total of 23 runs on 21 hits, while the pitching staff gave up only 7 runs in Novato's two sectional wins last weekend, 13-4 over South Ukiah and 10-3 over Grant of Sacramento.

Either Randy Foster or Steve Tieche will start for Novato in tomorrow's opener, with big Stan Ericksen scheduled for Saturday's mound duty. Ericksen, the 5-11, 185 phenom who pitches no-hitters and slugs grand slam homers, has allowed just four hits in his last 12 innings of pitching. Two of those hits have been home runs.

Oroville's mayor has proclaimed this week as "Little League Week" in honor of the youngsters who will be competing in the tourney. The L.L. players are 11 and 12.

Oroville is in Butte County. For all you fans who plan to make the trip up north to root

DODGERS PLAY LIKE METS, BEAT THEM

By MIKE RATHET
Associated Press Sports Writer

Playing against the New York Mets apparently can be as dangerous as playing for them.

The Mets began to rub off on the Los Angeles Dodgers in the eighth inning last night and Don Drysdale had to survive three errors and an I'll-take-it-you-get-it routine before subduing New York 1-0 for his first victory in 24 days.

Drysdale was working on a four-hitter and protecting a 1-0 lead for the National League leaders when the Dodgers started to fall into the Mets' pattern.

John Stephenson led off the Mets' eighth with a grounder to first base but Wes Parker fumbled the ball for an error. Chuck Hiller, however, came through in Met style, bunting into a duble play. But it was only seconds before Drysdale was in trouble again.

This time, Ron Swoboda grounded one to second base but Jim Lefebvre let the ball roll through his legs for an error. Right fielder Ron Fairly, backing up on the play, raced in — and also fumbled the ball as Swoboda took second.

Drysdale got out of that revolving door by retiring Johnny Lewis on a pop fly but the fireballing Dodger right-hander went in for another go-round at the start of the ninth when outfielders Lou Johnson and Willie Davis played Ed Kranepool's pop up into a single.

Charlie Smith played Hiller's role this time, grounding into a oubleplay and Drysdale then got Gary Kolb on an easy fly to end it.

INCREASE LEAD

The victory was Drysdale's first in his last six starts, lifted his record to 16-10 and increased the Dodgers' first-place edge to 1½ games over the second-place San Francisco Giants, who were rained out of their game against Pittsburgh.

Milwaukee remained three games back by riding Hank' Aaron's 24th and 25th homers to a 5-2 victory over St. Louis. Cinxnnati fell three behind after a 7-2 loss to the Chicago Cubs and Philadelphia stayed six games off the pace with a 5-1 triumph over Houston.

In the American League, the New York Yankees edged Minnesota 5-4, Boston belted Baltimore 8-3, Cleveland blanked the Los Angeles Angels 6-0, Detroit swept Kansas City 6-2 and 5-4 in 10 innings and the Chicago White Sox downed Washington 7-0 after losing the ohener 5-2.

Drysdale was locked in a scoreless duel with Larry Miller for five innings but Gordon Richardson came on to put down a Los Angeles threat in the sixth and was touched for the game's only run in the seventh when Maury Wills singled, took second on a passed ball by Chris Cannizzaro and scored on a single by Jim Gilliam.

FELIPE HOMERS

The Braves jumped off to a 2-0 lead in the third inning on homers by Felipe Alou and Aaron, then broke a 2-2 tie in the fifth when pitcher Ken Johnson and Mack Jones singled before Aaron hit his second homer. Bob Skinner's homer had pulled the Cardinals into a tie against Johnson, who won his 10th game since joining Milwaukee for an over-all 13-6 record.

The Cubs put it away against Jim O'Toole, who now is 1-9, in the fourth inning when Leo Cardenas let a grounder by Harvey Kuenn slip through his legs for a two-run error and Ron Santo singled home two more runs. Larry Jackson, tagged for a pair of solo homers by Frank Robinson, got the victory for an 11-14 record.

Ray Culp went the distance for the Phillies, scattering eight hits and bringing his record to 8-8. Culp got the only runs he needed in the first inning when the Phillies struck for a pair against Danny Coombs on John Callison's single, a double by Richie Allen and Alex Johnson's single.

Hard-Luck Story Of Robert Hayes

One November night 10 years ago in a dormitory at Florida A&M College in Tallahassee, a chance acquaintance approached a young fellow student enrolled on a football scholarship and wondered whether he wouldn't like to accompany him downtown for a bite to eat.

Robert Lee Hayes thought it was a good idea. It was very probably the worst idea he ever had.

Before Bob Hayes realized what was happening, his newfound "friend," who had done that sort of thing before, had drawn a "gun" on a fellow student. It was a water pistol but the victim had no way of knowing that. Neither did the police when they rolled around the corner in a squad car at that precise moment. Neither did Robert Lee Hayes who set his first world record that night. And this time, the starter's gun wasn't pointed in the air.

The police gave chase but they didn't catch him till the next day. They had no way of knowing, either, they were dealing with the world's fastest human.

BOB HAYES was paroled in the custody of Alonzo Smith (Jake) Gaither, a football coach with a long record of reaching out and helping Negro boys back into the leaky tub of society. Gaither had cheated the penitentiaries and electric chairs of the South many times, but Bob Hayes will always be his most celebrated rescue.

It turned out the "robbery" netted Bob's companion only 11 cents (a nickel, a penny and a package of chewing gum) not to say a long prison term. All Bob got out of it was a good lesson. He ate in his room the rest of the year. He also got to report to his probation officers once a month for 10 long years, a rather unreasonable punishment for being a material—or even immaterial—witness at a robbery, but the South frequently deals out justice on a "For White Only" basis just as it does other modern conveniences.

Bob Hayes, the son of a paralytic father, became the fastest thing ever seen, not chased by a tiger. But his bad luck dogged him. He tied the world's 100-yard record once, and then they found the starter had used the wrong calibre bullet to start the race (you time a race by the puff of smoke and a .32-calibre is more quickly visible than a .22).

HE RAN an 8.9 hundred once, and, while reporters were running for the "A" wire to flash the news to the world, they measured the course again and found it several feet short.

He pulled a muscle in an Olympic year. Fortunately, the Japanese scheduled the Olympics late to duck the typhoon season, and Bob Hayes ran heats of 10.3, 10.3, 9.9 (they found the wind above allowable limits or it would have been a world record) and, finally, a 10-flat victory in the hundred-meter finals for a new Olympic record and a win by an unheard-of four yards over the second place man.

BUT NO one who was there will ever forget Bob Hayes in the anchor leg of the 400-meter relay. The U.S. was a well-beaten sixth when Bob Hayes got the baton. Where some runners run as if they were trying to get airborne, Bob Hayes runs as if he were pounding grapes. He was a blur in the stretch at Tokyo. Four watches caught him in an unbelievable 8.6. He passed six runners to win the medal for the U.S. and the mathematics confirmed the 8.6 when the times for the other three relay members (Drayton, Ashworth, Stebbins) came out to 10.6, 9.9, 9.9.

THE SPRINT record was restored to America but Bob Hayes was still being presented to crowned heads one day and his probation officer the next. The Miami Herald came upon the story and printed it, not with purse-lipped wonder but laconically. The true facts tumble a lot of locker-room embellishments and exaggerations (some bootleg versions almost had Bob Hayes one of the Brinks robbers) and it was apparent that, even if Bob Hayes had held the coat for his pistol-packing companion, which he did not, it was not much more than the escapades five out of five young boys try at one time in their lives.

The transparency of the charges came across in print and stirred the governor of Florida to wipe the records. Bob Hayes got a full pardon for running away from the scene of a crime he didn't even know was being committed.

Bob Hayes will be in the football uniform of the Dallas Cowboys in the Los Angeles Coliseum this Saturday night.

THE GAME, fittingly, is being played for Boys' Clubs—to put footballs or baseballs in boys' hands instead of pistols, bats instead of switchblades, a chance instead of a chase. You shudder when you think that that Tallahassee cop might have been a better—or a worse—shot, depending upon whether he was trying to hit Hayes or scare him. A bullet crashing into a knee that night would have cost a career. Into a back, and Bob Hayes would have traded a lifetime of Page One headlines for one little back-page item: "A&M Youth Slain Fleeing Law. Unknown Freshman Gives Life for 11c Robbery."

INTRODUCING THE MARIN ALL-STARS

Introducing members of the North-South Marin All-Star football squads that clash Thursday night, Aug. 26, at Kentfield in a game sponsored by the Ross Valley Kiwanis Club:

THE NORTH

RICK EDWARDS will have to go down as one of the best athletes put out by Terra Linda so far in its young existence.

Edwards was a fine offensive runner and then turned around on defense to be one of the best defensive backs in the league. In fact he was named to the all-league team as a defensive back. He was voted team captain for the trojans and won the Hall of Fame Scholar - Athlete award from Marin County.

The 5-10, 170-pound Edwards also made all-league in "B" basketball and was the 330 and 440 Marin champ when it came time for track season, and he was named captain of the '65 T.L. track team.

He was vice president of his junior class and is interested in YMCA work. He will be attending Washington State University.

PAUL KAEHLER from Novato High School is a 5-10, 160-pound center who was given all-league honorable mention at the end of the 1964 season.

A strong youth, Kaehler also participated on the Hornets' wrestling team. A former student body vice president, he is active in helping Little League baseball.

He plans to attend Chico State College as a pre-medical student and then transfer to med school.

THE SOUTH

MIKE HOLLOWAY will be one of the break-away threats for the South, as this boy is a real speedster from Tamalpais High School.

He stands 5-8 and weighs 150 pounds and played first string varsity for two years. Last year in league play he gained 172 yards and averaged 3.7 yards per carry.

In addition to his football playing, Mike played basketball and was one of the league's top broad jumpers during track and field season. He will probably enter College of Marin this fall, with sights set on San Jose State.

LOREN SWANEY from Drake has played in organized football for six straight years, coming up the ranks from the Pop Warner program.

He played two years in Warner ball, a year in frosh and a year in junior varsity and then two years varsity. He was named as the all-league center last year for the Pirates.

He now stands 6-0 and weighs 180 pounds. In addition to his football experience, Swaney also played baseball in Drake. He is looking forward to a stint in the Marine Corps.

HOGAN VS. NICKLAUS, NICHOLS, CASPER, ET AL

Faded Hawk Challenges Super Stars

By JIM HACKLEMAN

LIGONIER, Pa. (AP) — A legendary figure from the recent but dimming past is challenging the modern day idols for one of golf's most coveted prizes.

Ben Hogan, a little thick around the middle and with thinning hair but still hawk-eyed and purposeful of stride, was no more than a lesser member of the cast today as the elite field played the first round of the 47th Professional Golfers' Assn. championship at Laurel Valley.

The stars of the production are the younger set, glamorized by the television age: heavily favored Jack Nicklaus, power-hitting Masters champion on a torrid triumphant streak; South Africa's Gary Player, U.S. Open champion with the dramatic touch; Bobby Nichols, handsome defender of the PGA crown; Arnold Palmer, overwhelming popular choice on his home grounds; carefree Tony Lema, and smooth-stroking Billy Casper.

"I'm a part-time player now, from March to August," Hogan, who'll be 53 tomorrow, said after his wind-up practice round yesterday. "And this is only my fourth competition this year. I made the Masters, the Colonial at home in Fort Worth and Philadelphia last week."

The small, muscular-armed Texan, winner of two PGAs and every other major title in golf, was pleased with his incoming nine after "a horrible front nine."

"Over-all I haven't been playing well. And this is a tough course for me. It favors the long hitters," the precisionist commented, then added ruefully, "but I never saw one that didn't."

And the long-ball is Nicklaus' forte. The Ohio strongboy has won $44,300 with victories in the Thunderbird and Philadelphia Classics the past two weeks for 1965 earnings of $114,000 and has been impressive over Laurel Valley's 7,090-yard, par 71 layout. His tee shots and long irons — always outstanding — have been even more so, and his short game is on target.

"I'm going well," Nicklaus said cautiously as he prepared to shoot for his second PGA championship. "Hitting the ball well gives you confidence. All together, I'm as ready as I can be."

Nichols, also a slugger and also going well, should be primed for a big effort.

"With me, it's mostly a case of a good start," the personable Kentuckian said. "If I get off well, it makes me that much better."

Player, Lema and Casper are others in winning form. Not so Palmer, Laurel Valley's home pro and an idolized native of these western Pennsylvania highlands. He's slipped from golf's suppermost echelon — but he seems keyed up for this vital test.

Laurel Valley's hilly course, par 36 out and 35 in, is drying out in the warm weather after a week of rain. Its length, wide fairways and easy rough give the long-range shooters the edge. However, its many traps, its tricky par 3 holes, and its rolling terrain make it reasonably demanding.

Twenty former PGA championships, including three-time winner Sam Snead in addition to Hogan, Nicklaus, Player and Nichols, are in the field of 167.

Palmer has never won this one — but he's won the three other top ones, the U.S. and British Opens and the Masters. Should he come through, to the delight of the vast majority of fans here, he'll join Hogan, Player and Gene Sarazen as the only ones ever to sweep the four.

After tomorrow's second round the field will be chopped to the low 70 and ties for the concluding 18-holes Saturday and Sunday.

The finishing holes on the final two days will be televised (ABC).

NCAA-AAU

'Victims' To Talk At Senate Probe

By G. MILTON KELLY

WASHINGTON (AP) — Young athletic stars caught in the squeeze between the National Collegiate Athletic Assn. (NCAA) and the Amateur Athletic Union (AAU) speak their minds in a Senate investigation starting Monday.

Sen. Warren G. Magnuson, D-Wash., whose Senate Commerce Committee will conduct the two weeks probe, put some steel behind the velvet in a statement declaring the objective to find some peaceful settlement of the row over control of U.S. amateur athletics.

"It will be our task to see that athletes may freely compete without fear of sanction or retaliation," he said.

Magnuson's statement didn't mention this, but Congress could, if it chose, provide for the federal chartering of a new group to bestow the needed Sanctions for domestic athletic events, including those which lead to the selection of U.S. Olympic teams.

Many on the sidelines believe the White House has given its blessing to the probe, concerned lest the fight endanger the selection of the strongest team to represent the United States in Olympic competition.

The late President John F. Kennedy assigned Gen. Douglas MacArthur in 1963 to arbitrate an agreement between the NCAA and AAU, but the resultant peace proved unenduring.

Through testimony by distance track star Gerry Lindgren, the scheduled opening witness, and other top athletes, sports writers, coaches, college and university officials and, finally, from the NCAA and AAU, the committee plans to expose to public gaze the whole story of the row.

Lindgren is from Washington State University, in Magnuson's home state. The 18-year-old star defied possible reprisal from the NCAA by competing in an AAU sponsored meet and winning membership on the track squad now returning from overseas competition in which it lost to Russia — the first such defeat in seven years — and defeated Poland.

The NCAA had refused to approve the AAU meet through which the team was selected. Some have questioned whether this led to sending abroad a less-than-the-best squad to take on the Russians because some athletes, fearing loss of valuable athletic scholarships or other reprisal, had stayed out of the AAU competition.

N.L. Heading For New Gate Record

CINCINNATI (AP) — Attendance at National League baseball games is better than ever, says Dave Grote, the league's service director.

"As the season moved into August, the National League was running almost 650,000 ahead of its record pace of last year for a corresponding number of dates," Grote said today.

Grote, in an attempt to silence claims that "baseball attendance is declining," or "baseball attendance may be up, but the increase has not kept pace with the population boom," issued a comparison of N.L. attendance with the population growth.

Grote said the baseball attendance increase since 1920 is 142 per cent, while the increase in population is 69 per cent.

Grote said the estimated attendance of 108 million for the current decade "is conservative."

"The game's detractors will be quick to point out that two clubs have been added since 1962," Grote said. "Obviously they have accounted for an increase in the league's attendance but expansion is not solely responsible for the National League's having set a new attendance record in each of the last three years."

New ball parks have accounted for some of the increase, Grote said.

The N.L. reached an all-time high in 1962 with 11,360,159 paid admissions, eclipsed that record with 11,382,227 in 1963 and went over the 12 million mark in 1964.

"With prospects of another down to the wire pennant race, it's a veritable cinch that the Senior Circuit will establish a record attendance for the fourth consecutive year," Grote said.

Unlike other sports, baseball includes only the paid admissions in its attendance figures.

In its last year as an eight-club league in 1961, the N.L. drew 8,731,502. The 1964 total, with 10 clubs, was 12,045,190.

The two new clubs, the New York Mets and Houston Astros, drew a total of 2,458,370 in 1964, while the eight old clubs showed an increase of 85,318.

Grote said, "The tremendous attendance gains in recent years have been recorded in spite of the increasing number of home games which are televised." He then asked:

"Remember when skeptics were predicting that major league clubs would be playing to empty stands while people stayed home and watched the games on TV?"

Knows His Dogs

DENVER (AP) — Thomas O'Brien, presiding judge at Denver's Mile High greyhound track in the summer and at Florida tracks in the winter, estimates he has judged 60,000 races since he began at Jeffersonville, Ind., in 1935.

LEAD GERMANY

A New Spark For U.S. Track Squad

AUGSBURG, Germany (AP) — A fellow named Shy, who came as an alternate, has added new spark to a United States track and field team which appears, headed toward an overwhelming victory tonight over West Germany.

Don Shy, nothing modest about his deeds, was the surprise leader after the first five decathlon events on the opening program last night.

The American team won eight of 10 events in the first day of the two-day track and field meet and led 63-42.

Impressive victories were scored by Tom Farrell of Forest Hills, N.Y., in the 800 meters; George Anderson of Baton Rouge, La., in the 100-meter dash; Ralph Boston of Nashville, Tenn., in the broad jump, and the U.S. 400-meter relay team.

Shy, a 19-year-old comer from Pomona, Calif., piled up 4,022 points. Favored Bill Toomey of Laguna Beach, Calif., had 3,991 points in second place.

After losing to Russia and Poland, a U.S. 400-meter relay team finally clicked. Fred Kuller of Garden Grove, Calif.; Adolph Plummer of Tucson, Ariz.; Jim Hines of Oakland, Calif., and Anderson won in 39.5, four-tenths of a second ahead of the trailing Germans.

World record holder John Pennel of Miami won the pole vault event, vaulting 16-1. Other American winners were Dave Weill of Walnut Creek, Calif. in the discus, Ed Burke of San Jose, Calif., in the hammer throw and Blaine Lindgren of Torrance, Calif., in the high hurdles.

Hamilton Guns For Hub Softball Title

Sohner Tree Service (0-1) of San Anselmo and Hamilton Air Force Base (3-1) clash tonight, 6:30 o'clock in the sixth annual San Anselmo Invitational Softball Tournament at memorial Park.

Last night's contest between Sohner and Burbank Dairy (2-1) was postponed due to wet grounds. The game has been rescheduled for next Wednesday.

A Hamilton victory in their final appearance tonight would assure the Defenders of no less than a tie for the championship because all six competing teams have lost at least one game.

Sohner is expected to send either Gary or Morey Swarm to the hill tonight to face Hamilton's Dan Coleman. Coleman has pitched all four tourney games for the Defenders, losing only a 1-0 verdict to Burbank Dairy.

Deans of Marin (1-1) and Sohner will tangle tomorrow night while Lucky 7 Golf (2-1) and Deans will meet Saturday evening.

A triple-header is scheduled Sunday.

Salmon Trolling Picks Up Pace Around Golden Gate Bridge Area

STEVENS

After the dearth, the deluge. Well, if not actually a deluge, at least a marked improvement in salmon trolling outside the "Gate." The scene of action was not far from the Lightship, fairly close to the M2 buoy. Limits of large chinooks were the rule by boats out of Sausalito, San Francisco and Berkeley harbors. Sid McMullin, of Caruso's place at Sausalito, put it tersely: Sunday was good and Monday was excellent. The Marian fished near the M2 buoy and netted nine limits to 30 pounds, and the Jennie C had 20 salmon to 28 pounds.

FROM LEE Anderson's in Oakland the reports were equally as good, with one boat, the Sea Horse, boating 17 salmon to 44 pounds. The main action was between the M2 buoy and the Lightship. Sid McMullin reported one boat getting into a school of mackerel—"Some big ones, too," reported Sid.

Not only has the salmon trolling become torrid, the striper strivers have proved the long-looked-for ingress of bass has come to life. Sid, of Caruso's reported some fairly fast fishing in the Racoon Strait, off Alcatraz and the Rock Pile. Mostly live bait drifting, but quite a few stripers taken by straight trolling. . . .

"One boat came in with stripers to 35 pounds," said Sid.

AS FAR AS I could learn, only three boats out of Berkeley went after salmon on Monday, but, according to Lee Anderson's, the Duke No. 2 boated 7 halibut to 28 pounds in the Seal Rock area. Apparently the Duke 2 changed locale with the change of tide, because 2 stripers to 22 pounds were also taken. A newcomer to the fleet working out of Lee's place in Oakland, the Hawk, had a field day on Monday, came back to port with 4 halibut to 8 pounds and 2 lings to 5 pounds, all caught near Seal Rock.

Carl Bennett of the Rodeo Marina dropped by on Monday to report Sturgeon fishing over the past weekend has been fabulous. "Fish ran to 70 pounds top and and average of around 40 pounds. Best results near the mouth of the Napa River not far from the docked ship, Golden Bear." Carl also mentioned the hot fishing by anglers aboard the Blue Fish. On Saturday 19 limits off Seal Rock; Friday was also very good for stripers and halibut. Fourteen of the flat fish to about 14 pounds were taken, and on Sunday fishing was still hotter, 12 limits averaging around 18 pounds.

ATTENTION ALL deer hunters who wish plenty of room to hunt. Mel Toponce of San Leandro reported a very successful hunt at Poison Rock—Mel picked off a nice three-pointer and told me that the area is not hunted heavily after the two opening days. "Tell your readers that they can stay at the Post Camp where there are conveniences such as water and room for trailer or tent," Mel reported. I gathered that the Post Camp and Poison Rock are close to the Eel River Ranger station, not far from Covelo.

Ray Leach Tops Golf Qualifiers

Ray Leach, that 15-year-old golfing whiz from the Indian Valley Golf Club in Novato, will be leading a Marin County contingent into the Northern California Golf Assn. Junior Amateur Championships starting Monday at the Presidio Golf Club in San Francisco.

Leach was top man in the qualifying round for Marin County golfers last Friday at the Marin Country Club course. He shot a 74, with 37s on each nine. Eight other junior golfers qualified and four others will be alternates.

QUALIFIERS

Other Marin County qualifiers and their scores were:

Rick Timmer, 40-35—75; Ron Cannady, 39-37—76; Don Hawken, 41-38—79; Buzz Beattie Jr., 42-37—79; Brent Mitchell, 40-41—81; Randy Patterson, 43-39—82; David Cardy, 44-38—82, and Jim Jaccard, 43-40—83.

Alternates are Don Anderson, Fred Yates, Norman Hantzsche and Tim McMurray, in that order.

Leach, a fine shotmaker from Novato High School, has a good chance to go all the way in the tourney. He defeated John Miller, the then national junior champion, last year in the Norcal tourney.

FLIGHTS

Sectional winners who filled the 128 spots in the tourney will play 18 holes of stroke play next Monday to determine the 32 players who will qualify for the championship flight. The balance of the field will be placed in six flights of 16 players each.

Match play for all flights will continue through the week, with the finals of all flights on Friday, Aug. 20. The winner will be crowned following results of a 36-hole final round in the championship flight.

3 Keglers Rock Pins At Country Club Bowl

Butch Bowden, Paul Gottlieb and Walt Silva, all of the 540 Trios League, headlined the action for the past week at Country Club Bowl.

Bowden rolled a 244 game and 845 four-game series, Gottlieb had a 269 line and 844 series, and Silva had a 258—820. That was some mighty fine bowling in the 540 Trios.

Helen Palazzotto of the Sleepers League had high series for the gals, a 534 that included games of 204 and 196. High game honors for the distaff side went to Barbara Pieraccini with a 208 in the Toppers League.

Rick Posusney featured the scores for the junior bowlers with a 215 game and 560 series in the Junior Scratch Trio League.

MEDICARE and Social Security

A COMPLETE GUIDE TO YOUR LEGAL RIGHTS

Offered as a public service by the Independent-Journal

You cannot now obtain anything like this family financial security kit from any other source. It is available only to newspaper readers as a public service of the INDEPENDENT-JOURNAL.

Printed on durable paper in easy-to-read type, this informative booklet belongs in every home. The family financial security planning insert should be completed by the head of the household and be retained in a safe place with other important financial papers. It will be one of your family's vital documents.

Order today and avoid delay now the bill has become law. Fill out the coupon below and send it with one dollar (Check or Money Order . . . Please avoid sending cash in the mail) and you will be one of the first to receive a copy of "What You've Got Coming From Medicare and Social Security." The "must" book for families of all ages.

An all-new exclusive family security handbook is coming off the press detailing all your benefits under the new Social Security law with its new Medicare provisions. As an extra bonus it includes a specially designed family security planning chart. It will be mailed immediately upon receipt of your order. Please allow 3 weeks for delivery.

Only $1.00 in the mail

Available only to I-J readers in Marin County

☆

HERE'S WHAT YOU GET:

1. A handsomely illustrated, colorful booklet of approximately 80 pages, written by John Troan, nationally known newspaper journalist and an authority on Social Security and Medicare.
2. A family financial security planner. Are you sure that in the event of the death or disability of the breadwinner in your family all obligations could be met on at least a minimum basis? This planner, of special interest to couples between the ages of 25 and 45, will show you how to make a sound financial security plan to protect your loved ones. (You can easily see what Social Security covers and what must be provided in addition to Federal benefits.) There is a place to record insurance, bank, pension, securities—a complete record for your entire family.
3. Social Security self-audit card. It is YOUR responsibility to make sure that your money is being properly credited to your Social Security Account. To check your own records you simply fill out and sign this card and a report of your credits will be mailed to you.

Firestone "500" NYLONS

America's Most "Asked For" Premium Tires

★ Speedway-proved for turnpike safety
Firestone "500's" are built to endure the punishment of prolonged driving at turnpike speeds. They're tested and proved at speeds faster than you'll ever drive.

★ New Sup-R-Tuf Rubber for extra mileage
In city and cross-country tests, Firestone tires with SUP-R-TUF outwore other leading brands from 2,000 to 10,000 miles per tire.

★ Super-weld construction for extra safety
Firestone's inseparable bond interlocks the tread and cord body and eliminates the danger of tire failure from tread separation.

DRAKE'S BEACH WILL BE CLOSED EIGHT MONTHS

Drake's Beach, now part of the Point Reyes National Seashore, will be closed for eight months starting Monday, Supt. L. P. Arnberger of the national seashore announced today.

The closure is to permit realignment of the access road and construction of picnic facilities and restrooms.

Under the same contract, awarded to the Gill Construction Co. of El Cajon, San Diego County, another road will be built to Point Reyes Beach. This will be north of the present road to the beach completed early this year.

Closure of Drake's Beach now, despite the good beach weather, was necessary because of the need for dry working conditions, park officials explained.

Grand Jury Report Time Is Changed

Marin County Supervisors Tuesday changed the time from 2 p.m. to 10 a.m. next Thursday when they will consider the grand jury's partial report on the public works department.

County Administrator Alan Bruce said the change was made so the grand jury report would not conflict with a hearing on substandard lot restriction which is set for 2 p.m.

Owner Of Dog Sought; Y Counselor Bitten

A San Francisco YMCA counselor has asked the Marin County Health Department to help him find the owner of a large German Shepherd dog which bit him Tuesday as he was leading a troup of San Francisco boys on a hike of the Fairfax hills.

He is Larry T. Johnson, 30, who must begin the painful Pasteur series of rabies shots within 10 days if he is unable to verify that the dog was not rabid.

The health department's director of public health education, Daniel R. Pelz, said Johnson and his charges were near Deer Park School just before noon Tuesday when three teenagers on horseback, accompanied by several dogs, came past them.

As Johnson attempted to protect the youngsters from the horses and dogs, the dog bit him on the left wrist. Johnson described the dog as "large, beautiful and well-groomed," with the usual tan and black coloring of the breed.

Two Firemen Now Captains

Two Larkspur firemen, William C. Lellis of 17 Locust Avenue and William C. Shurtz of 8 King Street, have been promoted to the rank of captain, Fire Chief George Bartram announced yesterday.

Lellis, who joined the department in March, 1961, and Shurtz, who became a Larkspur fireman in May, 1962, earned the highest scores in written and oral examinations given this month, Bartram said.

The men, whose salaries will increase from $628 to $660 per month, will each be in charge of a work shift in the department.

Brindel Due Home

Catholic writer Paul Brindel of 133 Maestro Road, Novato, who underwent surgery at Saint Marys Hospital in San Francisco on Aug. 3, will return to his home Friday, he reported.

THE SUBURBAN SCENE

New West Shore Home Will Be Setting For Tea Tomorrow

By MOLLY MARIN

The new home of Mr. and Mrs. Edward Russell Rice II on Belvedere's West Shore will be the setting for the tea for 250 guests tomorrow, held in honor of Marin debutante Virginia Cooke. Hostesses with Mrs. Rice are Mrs. Robert Bagnall and Mrs. Dick DeBerry.

Virginia and her mother, Mrs. Donovan Cooke of Tiburon, will greet guests, assisted by eight young hostesses, Janet and Sue DeBerry, Lexie and Stephanie Rice, Ann Bagnall, and Ginny Cooke's sisters, Victoria, Johanna and Heidi. Nancy Bagnall, who bowed with Janet DeBerry at the 1963 Debutante Ball, is traveling in Europe with Kem Brash; and her sister, Margaret Bagnall, is visiting relatives in the Portland area for the summer.

Attending the tea will be Virginia's grandmother, Mrs. Charlotte Leach Kibbee of Belvedere as well as the other Marin debs, their mothers, and the Marin Debutante Ball committee.

Asked to assist at the tea are Mrs. Rice's mother, Mrs. William De Jung of San Francisco, Mrs. Rice's mother-in-law, Mrs. Alexis Becker of Belvedere, Virginia's aunt, Miss Virginia Kibbee of San Francisco and Mesdames George Stephens, David Winslow, Garry Gast, John Hoefer, Merritt Ruddock, Carroll Lynch, Edwin Gratonik, Robert Winkelman, Llewellyn A. White, Jack Welisch, Melvin Gautier, G. M. Howard, Richard Sims Jr., John R. Moore, Edward Stephens, Ralph C. Elliott and Chester Bunnell, all of Belvedere.

JANE HAMMOND of San Anselmo, a Marin debutante this year, has been appointed among the honorary prize scholars of 1969 at Smith College, which she will enter in September. Jane, the daughter of Mr. and Mrs. Eugene Hammond, was graduated from Sir Francis Drake High School and will choose either a mathematics or political science major at Smith. At Drake Jane was editor of the yearbook, secretary of the student body, president and life member of the California Scholastic Federation and was graduation speaker.

MARY EVA BYERS

Mary Byers Will Marry Earl Walker

Announced recently in Syracuse, N.Y., was the engagement of Mary Eva Byers to Earl Walker, son of the Rev. and Mrs. George F. Walker Jr. of Mill Valley.

The bride-elect is the daughter of Dr. and Mrs. E. Scott Byers of Syracuse.

"Bunnie," as the future bride is known to everyone, was graduated in June from the College of Wooster, Ohio, with a B.A. degree in psychology. She has just completed a summer session course at the University of California, where she is working for elementary school teaching credentials.

She has two sisters, Mrs. Kenneth Plusquellec of Spencerport, N.Y., and Mrs. John Fanselow of Chicago, Ill.

Earl is also a graduate of the College of Wooster, where he received a B.A. degree in mathematics and was a General Motors scholar. He is employed by the Pacific Telephone and Telegraph Co. in San Francisco in the accounting management program. He has just completed a tour of duty with the U.S. Navy in Fort Polk, La., and will return to his position following the wedding.

It will take place on Aug. 28 at the Park Central Presbyterian Church of Syracuse, where the father of the future bride is associate pastor, and the ceremony will be performed by Earl's father, who is pastor of the Westminster Presbyterian Church in Tiburon.

J. E. Petterle Claims Bride At Ceremony In La Canada

La Canada's St. Bede the Venerable Church was the setting on Saturday for the wedding of Pamela Anne Frase of La Canada and Joseph Elmo Petterle of San Rafael.

The bride is the daughter of Mrs. Stanley V. Frase of La Canada and the late Mr. Frase.

The Rev. William Perkins officiated for the noon ceremony.

Given in marriage by her grandfather, Niran B. Swett, the bride wore a full length sheath of white linen and silk organdy.

Preceding the bride to the altar in floor length gowns of apple green silk crepe were her sister, Mrs. Gary L. Brown of Los Angeles as matron of honor, and bridesmaids, Candice and Deborah Frase, also the bride's sisters; Susan Fanoe of Gonzales and Linda Hightower of La Canada.

Michael Berry of Yuba City acted as best man and ushering were Douglas Hauser of Berkeley, David Taylor of San Leandro and James Easton of San Francisco.

The bridegroom's brother, Stephen Petterle of San Rafael, served the mass.

A reception followed the ceremony at the Oakmont Country Club in Glendale.

The bride attended the University of Oregon and was graduated from Dominican College.

MRS. JOSEPH PETTERLE

The bridegroom, son of Mr. and Mrs. Elmo Petterle of San Rafael, was graduated from the University of San Francisco. Mrs. C. W. Carpenter of San Rafael is his sister.

Following a wedding trip to Lake Tahoe, the couple will reside in San Francisco.

MEDICARE AND YOU

How Much Do You Get—And How

By JOHN TROAN
NEA Special Writer
(Tenth in a Series)

"How much will I get when I retire?"

That's the question uppermost in the minds of millions of Americans who are working their way toward a Social Security pension.

The answer depends on your "average earnings"—how much you make on jobs covered by Social Security, averaged over a certain number of years.

You may average out your earnings from 1937 on (that's when the Social Security law took effect) or from 1959 on.

When you apply for your retirement benefit, the Social Security office helps determine which method gives you the better break. In most cases, averaging earnings from 1951 on results in higher benefits—because pay levels in recent years have been higher.

In figuring your average you may count only up to:

1. $3,000 a year earned from 1937 through 1950.

2. $3,600 a year from 1951 through 1954.

3. $4,200 a year from 1955 through 1958.

4. $4,800 a year from 1959 through 1965.

(Because that's all that has been taxed for Social Security purposes.)

Starting with 1966, you may count the first $6,600 you earn each year.

You must count a certain number of years to figure your "average earnings." The number depends on when you were born, and whether you are a man or woman. The minimum is five years; the maximum, 38.

Your retirement benefit is based on your highest earning years. But if you haven't worked the number required for this purpose, some "zero earning" years must be included in calculating your average earnings.

For example, take a man born in 1906. As explained in a previous article, he needs 20 "quarters of coverage" to qualify for SOME retirement benefit. That's five years. But in figuring HOW MUCH he is to get, he must average out his earnings over 15 years.

Thus if he works only five years under Social Security, he must include 10 years of "zero earnings" to calculate his average. This pushes the average earnings down—and reduces his monthly benefit.

Social Security headquarters in Baltimore keeps a lifetime record of your earnings. You can find out how much is credited to your Social Security account, and how many "quarters of coverage" you have earned, by filling out a post card form available at any Social Security office.

The smallest retirement benefit a worker may draw at age 65 is now $44 a month. This is if yearly earnings under Social Security average $804 or less.

The maximum monthly benefit at age 65 is $135.90—for a worker with average yearly earnings of $4,800. This will climb steadily until the year 2000 at which time some workers will qualify for the top retirement benefit of $168.

You may claim your retirement benefit at age 62. But in that case you get only 80 per cent of what you'd draw at age 65. If you wait until you're 63, you get 86⅔ per cent. If you start collecting at age 64, you get 93⅓ per cent.

In short, the sooner you begin drawing your benefit the less you get per month. That's because you'll be getting it for a longer time.

(Next: You don't have to quit working to draw retirement benefits.)

MONTHLY RETIREMENT BENEFITS

Here are examples showing about how much you'll draw in monthly retirement benefits at age 65, based on your average yearly earnings under Social Security:

AVERAGE YEARLY EARNINGS	RETIRED WORKER	RETIRED COUPLE
$804 or less	$ 44.00	$ 66.00
$1,200	63.20	94.80
$1,800	78.20	117.30
$2,080 (x)	83.50	125.30
$2,400	89.90	134.90
$3,000	101.70	152.60
$3,600	112.40	168.60
$4,200	124.20	186.30
$4,800	135.90	203.90
$6,600 (y)	168.00	252.00

(x)—Current average of all retired workers receiving benefits.

(y)—Generally, this won't become possible until the year 2000 for retired women workers and 2003 for retired men.

YEARS TO COUNT

Here is a table listing the number of years that must be counted in figuring a worker's average earnings—on which all Social Security cash benefits are based.

Year Worker Was Born	Years Counted Man	Years Counted Woman	Year Worker Was Born	Years Counted Man	Years Counted Woman
1896 or earlier	5	5	1913	22	19
1897	6	5	1914	23	20
1898	7	5	1915	24	21
1899	8	5	1916	25	22
1900	9	6	1917	26	23
1901	10	7	1918	27	24
1902	11	8	1919	28	25
1903	12	9	1920	29	26
1904	13	10	1921	30	27
1905	14	11	1922	31	28
1906	15	12	1923	32	29
1907	16	13	1924	33	30
1908	17	14	1925	34	31
1909	18	15	1926	35	32
1910	19	16	1927	36	33
1911	20	17	1928	37	34
1912	21	18	1929 or later	38	35

Effective Sept. 1, 1965, this table need not apply to a retired worker reaching 72 before 1969. Such a person may draw a flat $35-a-month retirement benefit simply if he has three to five "quarters of coverage"—nine to 15 months of work—credited to his Social Security account.

Tiburon Sanitary District Employee Salaries Listed

The Independent-Journal, as a public service, continues its listing of the salaries of sanitary districts in Marin with those of the Tiburon Sanitary district.

Superintendent-manager John B. McFarlane, $12,600; Gordon Barber, plant operator, $6,600; Harrison Bailey, assistant operator, $5,880; Elaine Levers, $2.50 an hour for part-time secretarial work.

The firm of Wilson, Jones, Morton, Lynch of San Mateo is paid a monthly fee for legal work. Directors James Murray, Randolph J. Esplin, Fred Mantegani, J. P. Eichorn, Angelo Mirata are paid $20 per board meeting, averaging once a month.

Divinity Student Leaves Marin

Paul S. Bodine, 34, student at the San Francisco Theological Seminary and circulation dealer for the Independent-Journal since 1957, has left Marin County to take a one-year teaching position at Whitman College in Walla Walla, Wash.

Until this week he lived at 282 Butterfield Road, San Anselmo.

He and his wife, Mary Kathryn, have three children, Kathryn, 7; Michael, 4, and Paula, 2.

Bodine received his bachelor of divinity degree in 1960 and is currently working on his dissertation for a doctorate in theology. He has completed all other requirements.

During his stay in Marin, the native of Oakland was a member of the County Committee for Fair Play in Housing.

Fairfax Native Sons Initiate New Members

The following new members have been initiated into Fairfax Parlor No. 307, Native Sons of the Golden West:

J. Michael Anthony, 428 Via Hidalgo, Greenbrae; Donald Paterson Jr., 12 Allensby Lane, San Rafael; Michael Mitchell, 22 Loma Vista Avenue, Larkspur; Ernest C. Zumino, 131 Marinda Drive, Fairfax; Roy J. Lucchesi, 374 Oak Manor Drive, Fairfax and Michael B. Dufficy, 768 Del Granada, Santa Venetia.

Enters Academy

Theodore Hendrik Keizer of 12 Cazneau Avenue, Sausalito, was one of several Marin County youths who started a new class this week at the California Maritime Academy, Vallejo. Keizer, son of Mr. and Mrs. H. J. Keizer, will study engineering.

Inverness Librarian Retiring

Mrs. John Mundo of Inverness retires at the end of the month after 17 years as librarian of the Inverness branch of the Marin County Library.

"It's been a most rewarding experience," Mrs. Mundo commented at her home yesterday. "If you like people and you like books, the two can be a wonderful combination."

In addition to her duties at the community branch, she has been librarian at the Point Reyes Station library since the retirement of Mrs. Lavina Adams a year ago.

Formerly of Belfast, Me., Mrs. Mundo is the wife of John H. Mundo who retired in January after nearly 40 years as an engineer with Radio Corp. of America.

The couple now plan to travel throughout the country.

Mrs. Mundo's successor as librarian at Inverness and Point Reyes will be Mrs. Helen Winters of Inverness, formerly employed in the Sausalito branch. She has also worked in the Santa Barbara library.

New Supermarket Sign Not Approved

A Safeway market planned southwest of Bon Air Road and Magnolia Avenue in Larkspur will not have a free - standing sign on the store site, the Larkspur Planning Commission decided Tuesday.

The commission approved plans for signs on the building but refused to grant a variance to permit a sign away from the structure, according to Mrs. Isabelle Moore, commission secretary.

The meeting was adjourned to 8 p.m. tomorrow when a public hearing will be held on the general plan for the city's future devolopment.

Novato Planners

The Novato Planning Commission continued until Sept. 27 the Olomapoli Investment Inc., request for rezoning of 39,000 square feet at Olive and Railroad avenues from single family to multiple family. The Independent-Journal incorrectly listed it as having been approved by the commission Monday night instead of postponed.

Holdup Man Uses Car Red Light

EUGENE, Ore. (AP) — Gerald A. Lambert of Albany, Ore., said he pulled to the side of the road when a vehicle following him flashed a red light recently.

When the driver of the other car came over to Lamber's car he said, "Give me your money—this is a holdup," and took $270 from Lambert. Lambert couldn't describe the holdup man because a flashlight blinded him, he said.

Poles Seek Dollars In Exchanges

By WILL GRIMSLEY

WARSAW, Poland (AP) — An American tourist wandering 10 feet from the door of his Warsaw hotel is accosted by a sinister individual, who whispers:

"Like to exchange, please Like to exchange?"

He wants to exchange zlotys for American dollars.

There is nothing unusual about this — it is practiced in some of the best capitals of the world, including Moscow — but in Poland, the game is more interesting.

MORE FLEXIBLE

The zloty is the Polish unit of currency — like the French franc, Russian ruble or British pound — although it is much more flexible.

How flexible nobody really knows.

In the official statistics, the rate is four zlotys to the dollar.

The tourist rate is 24-1. This year, the tourist has been given a bonus of 16 zlotys, making the rate 40-1.

CHICKEN-FEED

But that is just chicken-feed.

Any Pole can go to a national savings bank and exchange dollars at the rate of 72-1.

This is a sort of gray market. It's a method for the government to get precious dollars.

The 72-1 rate is not the ultimate, however.

The black marketeers will go as high as 100-1. There are rumors these lapel-grabbing merchants are really tools of the government seeking to latch onto more dollars.

However, some of the marketeers have been sought out and carried off to jail.

BLACK MARKET

The reason the black marketeers can offer 100-1 is that with dollars in hand they can buy goods at a value of 140-1. At least, that's what they say in the smoke-filled cabarets of Warsaw.

Zloty currency is unimposing engraved paper with denominations starting at 20, and going to 50, 100 and 500. Nobody seems to want it.

The U.S. Embassy has 11 billion of the things stored away in closets and bank vaults — from the sale of surplus wheat. The Poles soon must start redeeming them in dollars.

The visitor is kept in a constant state of confusion.

At the statistical rate, one zloty is worth 25 cents and a fair-sized tip for a lunch or a cab ride.

But, at 100-1, as most Poles view it, it is worth a penny. Give it for a tip and you get nothing but coffee in the lap and a dirty look.

Biting Dog Found And Quarantined

The small black dog that bit four-year-old Jeffrey Farber, son of Mr. and Mrs. Stanley R. Farber of 66 Via Cheparro, Greenbrae, Friday morning has been located and placed in quarantine by the County Health Dept.

The boy's father located the dog after making several telephone calls in his neighborhood.

If the dog does not develop rabies in the next 10 days, Jeffrey will not have to undergo a painful series of innoculations against the virus.

College Locker Thief Gets Money, Watch

Theft of $16 cash and a $90 wristwatch belonging to Raphael Keegan, 321 Tamalpais Drive, Corte Madera, who was swimming at College of Marin in Kentfield Tuesday, was reported by sheriff's officers.

Keegan told deputies he placed the items in an unlocked locker and swam about two hours.

COLONEL GUERRISSI
Gets commendation medal

Lt. Colonel Is Awarded Viet Medal

Lt. Col. Joseph V. Guerrissi of Novato has been awarded the Joint Service Commendation Medal for meritorious service in Viet Nam.

He received the medal at Fort Baker, where he is now stationed as signal officer at Headquarters, Sixth Region Army Air Defense Command.

Colonel Guerrissi was cited for duty in Viet Nam as deputy chief, Signal Branch, Military Assistance Command. He acted as adviser to the Republic of Viet Nam Armed Forces and consultant to the Joint Staff of the Military Assistance Command on communications and electronics matters.

The citation commends the colonel's "forceful leadership" in molding all communications facilities in Viet Nam into a single, integrated communication system.

Colonel Guerrissi lives with his wife and two children at 2285 Center Road, Novato.

Novato To Test New Road Surface

The Novato City Council Tuesday authorized the sealing of certain city streets with a new type of asphalt capping.

Lawrence A. Coleman, director of public works, asked to try Slurry Seal for several city streets.

"It has been used successfully in Southern California and in Alameda County," he said. He told the council that it would cost only about one quarter as much as an inch and a half asphalt capping.

The city authorized using Slurry Seal on certain streets for 500,000 square feet at a cost of $10,000 and asphalt capping on other streets of 100,000 square feet to cost $9,000.

Motorcyclist Goes To Hospital In Crash

Samuel E. Hall, 46, of 1 Golden Hind Passage, Corte Madera, suffered multiple cuts and scrapes at 8:55 p.m. Tuesday when the 1962-model Honda motorcycle he was riding crashed into the side of a parked car.

Hall, who told Corte Madera police he had not ridden a motorcycle in "many years" and was unfamiliar with the vehicle, was thrown 33 feet from the point of impact with the car parked in front of 53 Golden Hind Passage.

You'll Be Sorry If You Miss Hearing New Zealand Band

If we were visiting New Zealand, we would probably be willing to stand for hours to get a glimpse of the world-renowned National Band of New Zealand, and the colorful Maori dancers.

But now with those two groups due in Marin on Saturday, the reaction here seems only moderately enthusiastic thus far. We prefer to think that the lack of enthusiasm comes, not so much from our indifference to topflight entertainment as from the fact that many are unaware of the caliber of the visiting performers.

The National Band of New Zealand will be guests of the Marin Music Chest Summer Concert Series. The performance is at 3 p.m. Saturday at Forest Meadows, Dominican College in San Rafael.

This is the band that was judged the best concert band at the 1962 International Band Contest in Holland, where it competed against 214 other bands from around the world. That same year, the group captured first place at the Edinburgh Festival.

It is composed of 60 star soloists, under the direction of Norman Thorn. The band has performed before European audiences including Queen Elizabeth of England. This year, it will be featured at the Canadian National Exhibition in Toronto.

The fact that the band will present symphonic music should serve to heighten interest in the performance.

The Maori dancers, in their traditional dances and chants, will provide exotic color to the band's performance.

This is the National Band of New Zealand's first tour of the United States. Marin's is one of the very few concert appearances that the New Zealand band has accepted in the United States.

It is a feather in the cap of the Marin Music Chest that the band has agreed to perform here.

We hope Marin residents will take advantage of this rare opportunity and attend the Saturday performance. Remember, it's 3 p.m. at Forest Meadows, San Rafael.

Kentfield Citizens Left Wondering

The Marin County Planning Commission sent all property owners in the Kentfield area notices of a rezoning hearing next Monday at 9 a.m.

It struck us as passing strange that, although the notice filled a piece of legal-size stationery and included a map of the area, the nature of the proposed rezoning was not even hinted at.

"All persons interested therein may appear and be heard thereon." How in the heck, if he depends on county notices, is the average homeowner to know whether or not he is interested.

Passing strange, indeed!

LIFE SPAN LONGER THAN EVER

Life expectancy has nearly doubled in North America since 1840, according to Metropolitan Life Insurance Co. statisticians.

A man born in 1960 is expected to live until he has rounded out nearly 76 years.

In 1840, about one-quarter of the babies died before reaching their second birthday. By 1890, despite medical advances, one-fourth lived only a little more than six years.

Babies born in 1910, however, lived past the age of 42 before their generation was reduced by one-fourth.

In the last half-century great strides have been made in extending the life span.

Whether your stay on the stage of life is long or short, make the most of it. Play your part well.

Remember always that, in His divine plan, God Himself has assigned to you a unique role or mission to perform. It can be a test of your love for God, as well as contribute to your own best interests and those of others.

"Do not neglect the grace that is in you." (1 Timothy 4:14)

Help me, O Holy Spirit, to use well the relatively few years allotted to me in this life.

Question Of Foreign Material Purchases For Project Arises

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—Once again the question of purchasing huge amounts of foreign-made materials for public projects, apparently in opposition to the expressed intent of the State Legislature when it refused to scuttle the "Buy America Act," is before state officials.

THIS TIME, the subject involves hundreds of thousands of feet of oil casing for drilling activities in the Long Beach tide-lands. The direct question before the State Lands Commission is whether the state, which obtains the major portion of the revenue, shall insist on support of American industry, or wether it shall turn a public project in part over to foreign manufacturers for profits that have no benefits to California taxpayers.

Hale Champion, state director of finance, and head of the lands commission, said that group will reach a decision either at its meeting the end of August, or if an economic survey being made is not completed, then at a meeting in September.

Champion, State Controller Alan Cranston, Lt. Gov. Glen Anderson comprise the lands commission.

THE GOVERNOR pointed out that Japan, which is a strong contender for supplying the pipe, are the " best customers" of California, and said this state is doing everything it can to stimulate trade.

He declared the lands commission is looking closely at the question and said any decisions made would be "only after great consultation with American steel, American labor, the state department, and other California leadership."

The amount of pipe that will be needed in the new Long Beach field is so huge that no accurate estimates have as yet been made as to how much must be fabricated to accomplish the long-term job of removing oil from under the state's tidelands.

AN OIL company syndicate has contracted to drill. The syndicate is composed of several large major oil concerns. The state and the City of Long Beach reap all of the profits from the oil itself, so the State Lands Commission is dealing with a resource of the people returnable to the people.

Although in dollars, Japanese casing might be cheaper by the foot than domestic-produced pipe, in the long run the public would stand to suffer through losses of wages to steel workers, taxes on those wages, taxes on the profits of the concerns involved, and a dozen other intangibles which enter the picture.

THE CYNIC'S CORNER

"I'm waiting to get on one of those radio talk-shows with a solution for the world's problems!"

"Now that I know the city council approves, I'm not enjoying it like I used to."

WHAT OUR READERS SAY

Sam Hanzel Statement Good

Editor, Independent-Journal:

One sentence in Dr. Sam Hanzel's letter of Aug. 6 should be embroidered in cross-stitch, underlined in heavy black lines, framed and hung opposite our beds so we could contemplate it each night before we sleep:

"No economic system can be defended by force of arms. It needs to prove itself superior in providing for the needs of the people."

Are we really so stupid that we must spend all these lives, and all this money—only to find out in the long run that this statement was true all the time?

County Taxes Will Never Go Down

Editor, Independent-Journal:

. . . When I protested my Sausalito property taxes last year, I had the fortune — or misfortune—to draw the "top man" of the assessor's investigators. In reply to some of my acid comments on the causes of this exorbitant taxation, he made two points very clear:

1. The expenditures are not the cause; the county is collecting more money than it needs now or in the foreseeable future.

2. The cause is the out-of-town speculator, who is paying more than the property is worth. "We base our figures," he said, "on the most recent sales of property in the vicinity."

In your editorial of July 23 you say: "Taxes are high because the cost of government goes up . . . ." I refer you to the tax expert's statement: "Expenditures are not the cause; there is more money than can be spent; the figures are based on the latest sales figures in your community."

It is my contention that taxes never go down. If more money than is needed is being collected, then projects and boondoggles will be found on which to spend it. If Mr. Broemmel (county assessor) continues to base his estimates on the prices paid by the out-of-town speculator with more money than sense, the taxes will again be doubled, driving everybody, except such speculators, out of the county.

Push-Button Comment

Editor, Independent-Journal:

A few short weeks ago I wrote with what I thought was a touch of humor —? of doctors being replaced some day with a push button — maybe this was humorless, or poor taste?

At any rate I cannot but help point out that in tonight's Independent-Journal (Aug. 5) on page 48 in the third paragraph, first column, in an A. P. article by Maggie Savoy about Gen. David Sarnoff and his 21st Century predictions.

According to this article, he has an office filled with gadgets to help in his predictions. Now I don't even have the crystal ball that I mentioned—but grass over the fence is always greener, isn't it?

Some Children Are Too Lazy

Editor, Independent-Journal:

The purpose of this letter is to compliment the San Anselma Park and Recreation Department on the fine work they did in organizing the excursions for the children. Even if the children were too busy sitting home and watching TV to participate.

I signed up for two trips and dancing lessons that would have been fun, but a few kids were too "busy" to come.

Children are unhappy because they have nothing to do, but when somebody gives them something to do they are too lazy to do it. Mothers are as much to blame as the children. If they took a few minutes to go to the playground or the City Hall to find out some of the details their children would not be under foot and they would be giving some other boys and girls a chance to go.

I live in a mountain community (Forest Glen, Calif.) where there are just a few children and things are better organized there accidentally than they are here on purpose.

My name is Beverly Clauson —I am 11 years old and am staying with my aunt and uncle in San Anselmo. I came here to have fun, but most of the things I planned have been canceled because of a few lazy kids.

Many thanks again to the San Anselmo Park and Recreation Department for trying to make these trips possible.

Reporter Gets Story Wrong

Editor, Independent-Journal:

. . . Re the article by Mr. Theron Newell concerning the Aug. 2 meeting of the Loma Verde Homeowners Assn. My husband referred to the individual who had harassed me anonymously with obscene phone calls when he said, "They are so low that they would have to climb a ladder to see a snake's belly." I find it incredible that although Mr. Newell was present at this meeting he misquoted and distorted my husband's remarks and I am shocked by his lack of objectivity and journalistic responsibility.

The charge regarding the check from Gordon Walker to pay for the bus shelter was never presented to my husband in advance of the July 12 meeting; on the contrary, a conspiracy of silence was carefully maintained lest he prepare a defense. He was not allowed to remain in the room at either meeting while the charges against him were discussed; he was given no opportunity to call witnesses in his behalf or question the people who were charging him; he was not even allowed to refute the slander until Mr. Jack Martin, chairman pro tem, insisted that Mr. Simon had a right to speak in his own defense before a vote was taken. My husband was not removed from office as Norman Roderick stated; he resigned with dignity and integrity and grace and I have never been more proud of him. . . .

TRY AND STOP ME

BENNETT CERF

IN THE good old days, recalls Robert Bloch, writing a movie mystery or serial was comparative child's play. All you had to do was find a heroine—Ruth Roland or Pearl White, for example — who could wear riding breeches. The head villain always wore a felt hat (unless he was a gorilla), his henchmen always wore caps, and the heroine usually could escape via any one of 14 secret panels.

Then came the era of housekeepers with candles that cast strange shadows on the walls and detectives named Philo or Nero who never stopped talking. They gave way in turn to Bogartian tough guys, Hitchcock psychopaths, and Oriental masterminds. Today James Bond has put them all in the shade — and to really "dig" a whodunit film you've got to know what's what in wines, men's cravats, sports cars, and international diplomacy.

President Fails To Keep Promises On Farm Front

WASHINGTON — To its credit, the Johnson administration is faithfully keeping its pledges at most points.

But at one crucial area of policy, which will bite into the pocketbook of every housewife when she goes to the supermarket, the administration is not keeping its political commitment — and this is to its discredit.

RIGHT NOW the White House is pressing Congress to pass a new farm bill which abandons most of the refreshingly constructive guidelines laid down by Hubert Humphrey in the campaign and reverses the "new approach" announced by President Johnson last February.

In the judgment of many objective people the farm program is bad economics because is perpetuates so many of the mistakes of the past, and it remains to be seen whether it may also be bad politics — when the consumer begins to feel the pinch.

"OUR OBJECTIVE," Johnson told Congress, "must be for the farmer to get improved income out of the market place, with less cost to the government." He said, "Farmers want freedom to grow and prosper, freedom to operate competitively and profitably in our present economic system."

That sounded fine, but it wasn't long before retreat began to set in.

Retreat One: The president said he wanted a more effective "free market" system for agriculture. But farmers face much the same controls and managed markets as before.

RETREAT TWO: The president said he wanted to bring about the production of food at "reasonable and stable" prices. But, the new farm bill would actually raise some food prices, especially bread.

Retreat Three: The president spoke of "liberalizing" farm trade in the "Kennedy round" negotiations now going on at Geneva. But the new farm bill would bring U. S. policies closer to the protectionist agricultural system of the Common Market so widely criticized in the U.S.

Quite a retreat.

It is also a retreat from the widely applauded concept of farm policy expounded by Kermit Gordon last January before he resigned as Budget Director. He urged that farm policy be brought closer to "the facts of today's world."

ONE OF THE facts of today's world is that the outdated farm program has most for prosperous farmers who do not need it and least for poor farmers who do.

But the proposed new wheat program keeps on doing the same thing except that it partly conceals the cost of sticking it onto the consumer.

Secretary of Agriculture Orville Freeman estimates the new wheat tax should raise the price of bread about one per cent per pound loaf. The bakers put the increase at double that amount — two cents a pound loaf.

No fair-minded person suggests that the producers of price - supported crops, after three decades of government subsidy, should suddenly be left to go it alone, especially when there is no way to stop quickly vast overproduction without unacceptable controls. But surely the time has come to mive in the direction of gradually bringing about a shift of resources to cut down the government's costly intervention in farm markets.

THIS WAS the direction which President Johnson's "new approach" was supposed to lead. But unless Congress turns unexpectedly independent, we will be back on the same old treadmill.

INSIDE WASHINGTON

Accounting Is Vague On Dominican Cost

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — U.S. intervention in the Dominican Republic has so far cost at least $75 million—and the end is not in sight.

Ultimate cost is certain to be well over $100 million.

THIS ESTIMATE is based on information from official and unofficial sources. Exact figures and details are difficult to ferret out. State and Defense Department authorities are either outrightly uncommunicative or patiently equivocal.

In several instances, inquiries have been answered with the claim that data on these expenditures is "classified."

Only official total so far ascertained is $47 million.

IT WAS OBTAINED by Rep. H. R. Gross, R-Iowa, member of the Foreign Affairs Committee and forceful administration critic, in an exchange of correspendence with Asst. Sec. of State Douglas MacArthur II.

MacArthur's accounting obviously is incomplete. Not included are known large expenditures. Foremost among them are: Cost of the thousands of U.S. troops sent to Santo Domingo and still maintained there; upkeep of the Brazilian and other Latin American contingents comprising the peace-keeping force of the Organization of American States.

These two items alone are privately estimated by Pentagon authorities as likely to exceed $30 million.

MacARTHUR'S report to Gross does, however, reveal two significant facts:

1. The U.S. is putting up the pay for the military and career civilian personnel of both sides —the junta, led by Brig. Gen. Antonio Imbert Barreras, and the rebels under Col. Francisco Caamano Deno.

2. These millions are being provided by the Agency for International Development (AID)—which administers the foreign aid program. In other words, funds voted by Congress for foreign aid are being used by the Johnson Administration to finance the Dominican intervention.

A MEMBER OF the Senate Foreign Relations Committee has "informally" been given a considerably higher total than relayed to Representative Gross.

According to this verbal report, cost of the Dominican intervention to date is around $65 million — excluding the large outlays for the U.S. troops and the OAS peacekeeping units.

The $65 million reported to the senator breaks down as follows: $42 million for the Dominican military on both sides; $13 million for career civil servants on both sides; $10 million for food, medical and emergency supplies to Dominicans on all sides.

A DISTINCTLY different version is spelled out by MacArthur in his letter to Gross, as follows:

"In order to prevent a complete breakdown of the Dominican Republic's economic and governmental administrative machinery, the Agency for International Development made available a total of approximately $47 million in emergency assistance. This figure includes foodstuffs valued at $5.5 million, $33.2 million for the maintenance of essential public services, including the payment of salaries to the career civil servants and the military of both political factions, and $9 million for such activities as project assistance, emergency work relief activities, and miscellaneous costs related to emergency food and medical relief."

The Country Parson

Driving Lesson Could Have Been Tragic, But Ends With A Ticket

IT WAS NOT very long ago that a Marin County father consented to take his daughter on one of her first drives behind the wheel of the family car.

The concession was made because it was her sixteenth birthday.

The result of the "birthday present" could have been tragic, had there been small children playing in front of the low stone wall the car ran into while she was driving.

The girl suffered a cut lip. Her dad and her younger brother, who was "along for the ride," suffered bruises. Their injuries were not serions—but they could have been.

The novice driver did not have a learner's permit from the State Department of Motor Vehicles.

Her father was cited for knowingly permitting a non-licensed driver to operate the car.

The girl too could have been cited for driving without a license but police decided she had learned her lesson—the hard way.

LEARNING HOW to drive has been considered so important that high schools require a class in driver training of all students, whether or not they ever intend to learn to drive.

Behind-the-wheel driver education is offered by both high schools and adult education programs throughout the state.

It is unfortunate that some parents, without proper training, try to teach their children to drive. It goes without saying that no one who has not been trained to teach driving should attempt to do so.

When they do, the general result is that the student learns most of his teacher's bad driving habits.

And the teacher as well as the student put their lives and the lives of others in jeopardy when the only person having control of the vehicle while it is in motion is the novice.

There are too many deaths and injuries caused by accidents involving persons who have driver's licenses and presumably know how to drive.

THERE'S NO REASON to deliberately enlarge that number by encouraging persons to learn to drive without guidance from a trained teacher.

MORRIE RYSKIND

We In America Had A Nice Republic As Long As It Lasted

THE JEST is ancient, but highly apropos: "Comes the revolution," says the soap-box orator, "you'll all get strawberries and cream." A listener demurs: "But I can't eat strawberries—they give me a rash." The speaker points an accusing finger at the heckler and shouts: "Comes the revolution, you'll eat strawberries and like it."

It used to get a laugh from me, but now that it's nearer fact than fiction I am not amused. A good many Republican congressmen are wont to send me the results of the questionnaires they mail to their constituents, and the grassroots usually overwhelmingly puts thumbs down on such welfare projects as Medicare. Yet at times the representative winds up voting for some of the LBJ measures he has denounced. There were Republicans who even voted for the rent-subsidy bill, which allows some families earning as much as $11,200 to get a federal check to help pay their rent.

WHAT HAPPENED? Well, in some cases, it has frankly been a fear that a seat narrowly won might be lost next time to an all-out liberal.

Whatever its morals, that is pragmatic politics. But that's only part of the story. The basic reason lies in a quatrain by Pope: "Vice is a monster of so frightful mien / As to be hated needs but to be seen. / Yet seen too oft, familiar with her face / We first endure, then pity, then embrace."

Substitute "welfare" for "vice"—and you have it. And remember, "welfare" presents a prettier face than "vice" and is far more alluring. So the legislator who first was shocked ends up saying: "Just this once" — and he's hooked. That's how conservatives are made into "moderates" and enter the "mainstream." But —no matter what they contend —they are not moderate Republicans; they have become, though they may not know it, moderate Socialists.

THE WAVE of the collectivist future is on us, and I doubt the tide will be stemmed in my time. And the winner—and still champion—is Karl Marx, who must snicker as he hears the men who carry out his precepts by day denounce Communism at night.

They salute the Constitution even as they destroy it. They have taken the phrase "promote the general welfare" and stretched it into a catch-all that gives us rights from the cradle to the grave—with no responsibilities. Big Brother assumes those—in return for your votes.

The framers of the Constitution were wary of Big Brother and were careful to spell out and limit the powers of the three branches of government to definite areas so that none could infringe on another.

BUT OF LATE the Supreme Court has usurped the legislative function of Congress and now actually makes law by edict. It by-passes the Constitution by amending it without the due process laid down by the fathers. It sticks its nose into matters not of its concern—as attested to many times by Felix Frankfurter, if never Earl Warren.

In effect, it has even gone so far as to declare the Constitution itself unconstitutional, as in the shenanigans going on under the semantically appealing title of "One Man, One Vote." The Connecticut Compromise that finally established the union gave us two houses, one based on population and the other on equal representation for all states, regardless of size. It has stood us in good stead all these years and has been adopted by 49 of the states for their own form of government. But now it has been tried and found wanting by the court.

WE DO HAVE one house in each state based on population alone. What the court's order may do is give us two such houses—and another check on a temporary majority may be gone. Carried to its logical conclusion, California (population 18 million) should have 144 U.S. senators because Alaska (250,000) has two.

Impossible? Not once the foot is in the door. The proponents of the income tax said it would never rise above 3 per cent—and look at it now.

And the practical effect of the court's order will be that big city political machines will control not only their state legislators, but the funds that will be pouring in from the federal government for the new welfare programs. And, somehow, the faithful party members have a habit of doing better than the rest of us under such beneficent auspices.

WELL, IT WAS a good republic while it lasted.

REMEMBER WHEN?

10 YEARS AGO

President Dwight D. Eisenhower's "open skies" offer to trade military maps and air reconnaissance rights with Soviet Russia won applause from most of Congress and Western Europe, noncommittal statements from the Communists.

A special act of Congress granted United States citizenship to Eleanore Hauser of Mill Valley, former resident of Austria.

20 YEARS AGO

The Chicago Cubs led the National Baseball League by five games and Detroit held an equal lead in the American League. Mel Ott of the New York Giants rapped the 500th home run of his career in a 9-2 win over the Boston Braves.

The San Rafael City Council voted to install automatic clock parking meters along Fourth Street and in the rest of the main business district.

Fireworks Get New Sponsor

The Corte Madera Chamber of Commerce will sponsor next year's Fourth of July fireworks display, president Richard G. Burns announced yesterday.

The chamber's board of directors voted to underwrite the cost of the 17th annual celebration for which funds will be solicited, as in previous years, from local businesses and residents.

The directors unanimously approved the formation of the Marin County Chamber of Commerce and agreed to participate in the new group.

'View From Bridge' Set At Redwood High

The Greenroom Players will present their second production, "A View From the Bridge," by Arthur Miller Aug. 20, 21, 27 and 28, 8:30 p.m. at Redwood High School in Larkspur.

According to producer Greg Norgaard of Sleepy Hollow, profits from the play will finance a drama scholarship for a graduate in the Tamalpais High School District next June.

Dandelions have a bitter, milky juice.

Straw Hat Review

The Festival Theater in San Anselmo is continuing its Straw Hat Revue, "Here We Are Again, Again," at the theater at Bolinas Avenue and Kensington Road. The show will close its Wednesday through Saturday performances Sept. 4. Performances each night start at 8:30 p.m.

What is now the San Rafael Military Academy grounds is the former location of the Tamalpais Hotel, which catered particularly to San Francisco residents during the summer.

AFRICAN SAFARI

LIONS AND ELEPHANTS—Mr. and Mrs. George W. Wheelwright of the Green Gulch Ranch enjoy the milder Marin climate after their photo expedition to East Africa.

Marin Couple Goes Hunting By Camera

Story and Photo
By ELLEN BRY

Mr. and Mrs. George W. Wheelwright have just returned from three weeks of driving 2,800 miles through "clouds of dust, pot holes — a most fabulous trip."

The time was spent in East Africa, photographing wildlife.

Wheelwright and his wife now can reel off the tonnage of the average elephant and how many hundred pounds of food he eats each day, can tell of having seen lions stalking and killing their prey and of having heard the call of the hyrax which sounds like a woman screaming in childbirth.

They left their Green Gulch ranch off Shoreline highway and headed for the wild game of East Africa, laden with cameras. Wheelwright came back with 1,300 color slides plus movies.

They traveled by car through portions of Tanzania, Uganda and Kenya, seeing rhinoceros, lions, elephants, zebra, giraffes, crocodiles and leopards.

One car in their camera safari was chased by a rhinoceros at speeds up to 25 miles an hour.

At one waterhole they watched five lions come to drink as smaller wild life drifted away before them and elephants trumpeted.

"One time the cabin was shuddering—we went outside. There was an enormous elephant, three feet away, overshadowing us," Wheelwright recalls.

"You wake up in the middle of the night and hear this God-awful sound outside the tent and its an elephant."

The couple climbed to the heights of the Ngorongoro Crater and went into the 120 square miles which is its center, where they saw a lion stalk zebra and gnu.

They remember Serengeti National Park as the place with "the most sense of being in wild country," Wheelwright said.

Both believe that the three countries are "making a tremendous effort to educate the people," Mrs. Wheelwright said. "I think they consider education the most important thing."

"It's quite an experience be a white in those countries," Wheelwright said.

Both feel that the whites remaining in many jobs would soon take a secondary place as African nationalism combined with education make it possible for natives to take over.

The Wheelwrights are enthusiastic about others taking similar safaris, saying that if the governments of the newly independent countries cannot gain enough tourist dollars from the parks, the wild land may be turned to native villages and farms.

The cost of a safari can be as low as $25 a day per person for all travel, sleeping accommodations and food—but the additional cost of getting to Africa often stops would-be travelers, they noted.

"It's a fascinating experience," Mrs. Wheelwright said. "I wish more people would do it."

Each day while waiting for subway trains, four million New Yorkers put 150,000 pennies into gum machines, buy 2,000 ten cent candy bars an hour and swallow up to 700 soft drinks a minute.

Broom Aids Couple In Fight With Two Bats In House

Mr. and Mrs. Ronald Sonne of 11 Summit Avenue, Corte Madera, had a battle with two bats which flew into their bedroom at 2:30 a.m. yesterday. They won—with the help of Policeman Harvey Zion.

Zion arrived at the house at 2:30 a.m. to rid the house of the first bat which was apparently seeking shelter from yesterday's storm. He left shortly afterward when neither he nor the Sonnes could find the animal.

He returned at 3:30 a.m. to find two bats, the second coming to the rescue of the first one when Sonne attempted to ground it with a broom. This was after it came out of its hiding place in the kitchen, flying around the bedroom.

With several swift blows of the broom, Zion knocked both bats out long enough to remove them from the house in boxes. Mrs. Sonne said the bats regained consciousness shortly afterward and flew away.

Tiburon Sheriff's Telephone Listed

Tiburon residents may now call a local telephone number for law enforcement: 435-3515.

The number is that of the new sheriff's substation in the Maritime Building on Tiburon Boulevard.

If deputies are not in the office when a telephone call is made, it will be relayed by the county communications network, to deputies by radios in their patrol cars.

Filming Begins In Classroom

Filming began in a San Rafal High School classroom this week for a U.S. Department of Education training picture that will show a new method of teaching composition.

The method, developed by H. Russell Hill of San Rafael High, involves assigning words for students to build on in composition rather than assigning subject matter.

Hill will be featured in the film.

Safety Belt Law

SPRINGFIELD, Ill. (AP) — Gov. Otto Kerner has signed a new bill requiring that 1961 and later model cars be equipped with two front seat safety belts. The law is effective next year. Present law applies to 1965 and later model autos.

TIBURON PENINSULA CLUB

Construction work is to start this month on expansion of the Tiburon Peninsula Club with four new tennis courts (upper right), a new swimming pool (in front of club), new parking areas and landscaping. Cagwin and Dorward of San Rafael are contractors for the work, which is expected to be completed in November and will include two little league fields on Judge Field.

Federal Park Aide Gets 30-Year Emblem

Edward A. Hummel of 654 Las Colindas Road, San Rafael, received his emblem for 30 years of service with the federal government at a staff meeting ceremony of the National Park Service regional office on Tuesday.

Hummel has been the Western Regional Director of the Park Service since July, 1963.

Reforms Sought In Divorce Law

BOSTON (AP) — The Massachusetts Senate has enacted and sent to Gov. John A. Volpe a bill permitting the defendant in a divorce action to remarry as soon as the divorce is final.

Under present law, the defendant must wait two years before remarrying.

Catalina pottery is made from native clay.

Meeting Postponed

The Mill Valley Planning Commission did not meet Tuesday for lack of a quorum. The meeting will be held at 8 p.m. Tuesday at the City Hall.

Top Motion Pictures Head For Marin Screens

PORTRAYS ARTIST—One of the motion picture world's most beautiful — and controversial — women, Elizabeth Taylor stars with her headline-making husband, Richard Burton, in "The Sandpiper," filmed at Big Sur. In it, Miss Taylor plays a non-conforming artist who falls in love with a clergyman. He, of course, is played by Burton.

One of the most popular ways to spend a spare evening is at a movie. A glance at the photos on this page shows that Marin residents will have no trouble finding films to please their tastes during August.

Shown is a sample of Marin theaters' summer fare. It ranges from slapstick comedy—as in "What's New Pussycat?"—through light-hearted family films like Walt Disney's latest, "The Monkey's Uncle," to the tense drama of "The Sandpiper."

Many of these films will rotate among several theaters in the county during the summer.

Perhaps the most controversial of the August movies is "Harlow," in which Carroll Baker portrays Jean Harlow, one of the earliest and best known of Hollywood's glamorous stars.

Called the "blonde bombshell," Miss Harlow became such a legend in her lifetime that her entire life became public property. The legend grew even more after her tragic death. The book on which the film was based has brought denials from Miss Harlow's father and others who knew her well.

Another film which undoubtedly will be popular is "The Sandpiper," since it brings together one of filmdom's most talked about couples, Elizabeth Taylor and Richard Burton.

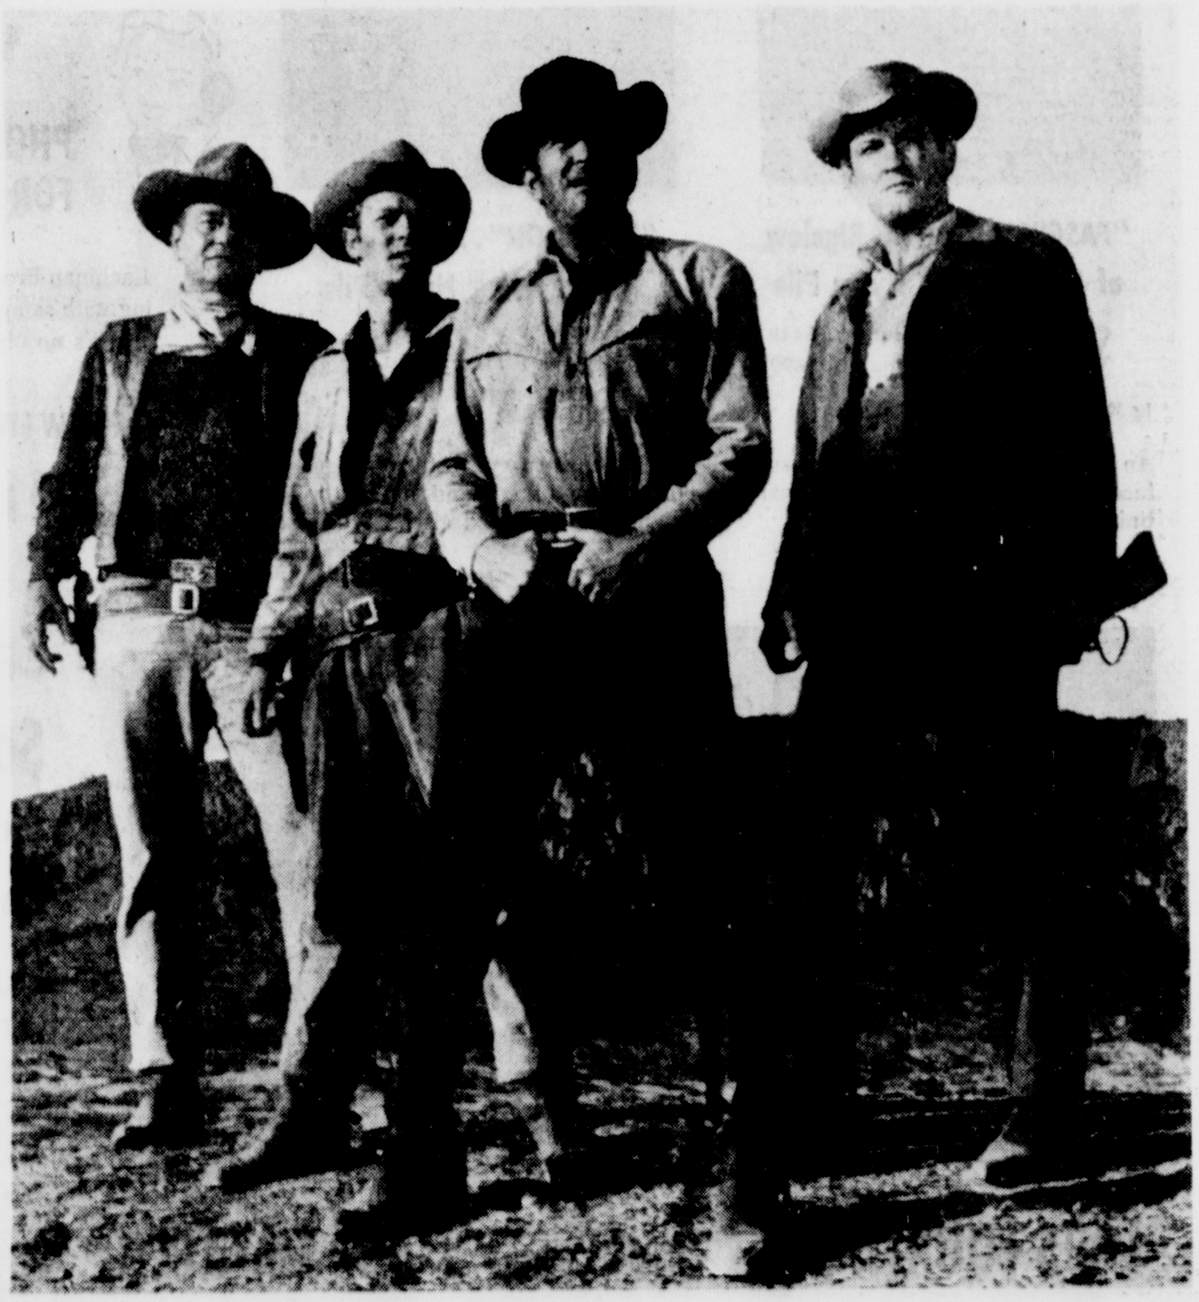
The color film casts Burton as a minister and Miss Taylor as an artist who does much of her painting at Big Sur.

THREE'S A CROWD — Woody Allen (left) looks typically forlorn as Peter O'Toole kisses Paula Prentiss in "What's New Pussycat?" Actually, however, Woody wrote the script that way himself. Also in the zany picture is British comic Peter Sellers, playing a phony psychiatrist in a Beatle wig, and too many beautiful girls to mention.

BEAUTY, BUMS—Above and at right are two films which give movie-goers a choice between romantic comedy and a "new breed" of Western. In "A Very Special Favor" (above), Rock Hudson (right) promises Charles Boyer to take a masculine interest in Boyer's daughter, played by Leslie Caron. In "The Sons of Katie Elder" (right) John Wayne and Dean Martin are among four brothers who start as bums but decide to straighten up at their mother's funeral. They find it is easier said than done.

MERLIN'S FRIENDS — Walt Disney's character, Merlin Jones, goes back to college in "The Monkey's Uncle," starring Annette Funicello and the chimpanzee shown here. Merlin uses the monkey for sleep-teaching experiments, and the animal proves to be smarter than anybody. Miss Funicello adds the feminine touch, while the Beach Boys provide popular music to the soundtrack.

BLOND LEGEND — One of Hollywood's liveliest legends comes to life in "Harlow," a film which has stirred up a furor in the movie colony. Here, Carroll Baker as Jean Harlow confronts co-star Martin Balsam.



WAR STORY—James Stewart plays the father of six sons and a daughter in "Shenandoah," a Civil War drama with a difference. Stewart convinces his children the war doesn't concern them, then suddenly and tragically it does.

this property could produce a Pandora's box of pecuniary pleasures. A 1½-acre parcel, private, with beautiful Bay View, containing 2 extra 20,000 sq. ft. approved building sites. The 3rd site contains a very soundly constructed large older home, that has an interesting Italian-Riviera architectural silhouette, plus a well-built Bavarian barn-styled second structure. Both are naturals for one with remodeling and redecorating talent. Located a few minutes beyond the Racoon Straits-bend.

HOW TO OWN A MANSION

We DID have a special one in mind — all glamor, substance and space (about 4,300 deluxe sq. ft. under cedar roof) — with 5 bedrms., 3½ baths, sumptuous liv. rm., TWO din. rms., gracious entry, view kitchen, HUGE social room plus tremendous garage area. BUT . . . if you wanted it spanking NEW . . .

You might start from scratch to copy our villa — beginning with as valuable a site — adding thereto a wealth of patios, shade trees, rock wall, grotto, fencing, iron grillework AND prof. landscaping.

Add loggia, 85-ft piazza w/ view and all clostly appts. to villa. $90,000 later, you MIGHT have a reasonable copy.

$72,500, on the other hand, buys the one we had in mind, mellowed by 11 years time.

NORTH MARIN COUNTY WATER DISTRICT
834 Vallejo Avenue
Novato, California

NOTICE TO CONTRACTORS

Sealed proposals will be received in the Office of the General Manager of the North Marin County Water District, 834 Vallejo Avenue, Novato, California until 4:00 p.m., Wednesday, September 15, 1965, and will at that hour be publicly opened and read aloud for the construction of a new Administration Building including site utilities, landscaping, and other site appurtenances. The location of the work is on property at the Southeast corner of Atherton Avenue and Railroad Avenue, Novato, California.

The wage rates of per diem wages (including rates for holiday and overtime work) for each craft, classification or type of workmen needed to execute the contract shall be those prevailing in the area.

A certified check or bank draft payable to the North Marin County Water District, or a satisfactory bid bond executed by the bidder and acceptable sureties in an amount equal to ten per cent (10%) of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for Satisfactory Performance Bond and Labor and Material Bond. Each such shall be not less than fifty per cent (50%) of the amount of the contract as awarded.

Plans and Specifications covering the work may be obtained on and after August 16, 1965 by prospective bidders upon application to the District's architect, John S. Bolles, 14 Gold Street, San Francisco, California. A deposit of Fifty Dollars ($50.00) made payable to the North Marin County Water District shall be made for each set of Plans obtained.

NOTICE OF TRUSTEE'S SALE
Order No. 19325

On Friday, the 27th day of August, 1965, at the hour of 10:00 o'clock a.m., at the front entrance of Trans Western Title Company, 1210 Fifth Avenue, in the City of San Rafael, California, Trans Western Title Company, a corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Marin, State of California, and described as follows, to-wit:

PARCEL ONE:

Lots 3, 4 and 5, as shown upon that certain map entitled, "Map of Red Hill Unit 1, County of Marin, California", filed for record September 4, 1959 in Book 10 of Maps, at page 37, Marin County Records.

EXCEPTING THEREFROM that portion of Lot 3 as contained in the Deed from R. C. R. Incorporated, a California corporation, to Morton Lieberman, et al, recorded July 19, 1960 in Liber 1383 of Official Records, at page 341.

PARCEL TWO:

Lots 15, 16 and 17, as shown upon that certain map entitled, "Map of Red Hill Unit 2 in the County of Marin, California", filed for record September 7, 1960 in Book 10 of Maps, at page 74, Marin County Records.

PARCEL THREE:

BEGINNING at the northwesterly corner of Lot 2 as shown upon that certain map

Legal Notices

entitled, "Map of Red Hill Unit 1, County of Marin, California", filed for record September 4, 1959 in Book 10 of Maps, at page 37, Marin County Records; thence North 29° 44' 10" East 43.02 feet; thence South 38° 40' East to a point in the Southeasterly line of said Lot 2; thence South 82° 40' West to the most Southerly corner thereof; thence North 38° 40' West 147.12 feet to the point of beginning.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by Kaehler-Farrar, a partnership, composed of John J. Farrar, Jr., and Reuben W. Kaehler, as Trustor, to Trans Western Title Company, a corporation, as trustee, for the benefit and security of R. C. R. Inc., dated March 1, 1963 and recorded April 22, 1963 in Liber 1679 of Official Records at page 200.

U.S. Turncoat Woos Soldiers In Viet Nam

SAIGON (UPI) — American GI's are hearing a different voice these days when they tune in for the Viet Nam version of Tokyo Rose.

Instead of the silky purring tones of Hanoi Hannah, a man's American-accented voice gives them the routine Communist pitch—get out because the valiant Vietnamese masses will eventually win over the warmongers of Wall Street.

The new announcer, aiming especially at Negro soldiers in Viet Nam, is a 36-year-old, Korean War defector, Clarence Cecil Adams, a native of Memphis, Tenn.

The message, which Radio Hanoi said was taped in Peking, begins:

"Hi, fellows. Let's have a heart-to-heart talk."

He says he's from Memphis, "You know, the 'big M'," and then that he's a veteran of the 502nd Field Artillery of the second Army Division in Korea.

He says his all-Negro unit was "left out in the rain" in the retreat from the Pusan perimeter and he was captured.

"Before capture, we had been told that Asians were barbarians, that it was better to go down fighting than to surrender and be captured.

"I am the living truth that the American bosses have lied about the Asians in the same way that they have lied about Africans and Latin Americans.

"Thanks to our capture, I am now happily married and have two lovely children.

"The war in Viet Nam is a dirty war. American men, you are fighting people in Viet Nam like the ones I fought in Korea—people who are defending their homes with homemade weapons.

"The people of Viet Nam are fighting for their freedom with the same determination as the Koreans did. The people of Korea won the freedom and the Vietnamese will win theirs.

"Americans will have to get out of Viet Nam and the Vietnamese will see that they do.

"Fellows, are you on the right side of this? The Vietnamese are not bombing your churches and killing your children.

"It was not the Vietnamese who sent state troopers to beat people in Selma.

"The Vietnamese know clearly who their enemy is. You, who had the enemy right on your backs for more than 200 years, know too.

"You are in the wrong battle here. You are fighting the wrong war. Brothers go home. The Negro people need you back there," Adams concludes.

He signs off the broadcast giving his name and Army serial number.

New Foliage For Jungle

LOUISVILLE (AP) — Things are a little brighter for 250 families in the town of Santo Domingo de los Colorados in Ecuador.

The 28 rural electric cooperatives in Kentucky donated about $90,000 worth of used equipment to bring electric power to the homes.

"It was a rare experience to see transformers hanging on palm tree poles in the jungle providing service to those needy people," said J. K. Smith, manager of the Kentucky Association of Rural Electric Cooperative Carps.

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Hot Weather Means Dangerous Days For Most Older Persons

VAN DELLEN

Every summer many oldsters collapse during a spell of hot weather. The death rate for individuals over 70 mounts after several days of torrid temperature and high humidity. Those residing in a crowded industrial area suffer the most because air pollution also has an adverse effect upon the health of the elderly.

Extreme heat, humidity, and heavily polluted air are the terrible threesome for our senior citizens. The fatalities are not so high in the south as in the north because those living below the Mason-Dixon line are acclimated to heat. In addition, there is less industry and the air is clearer.

MOST OF US adapt to warm weather even when it is unbearably hot. The chief hazards are heatstroke and heat exhaustion. These are caused by a breakdown in our cooling mechanism. In the former, this process is fatigued and the body overheats; in the latter, the mechanism works too fast and shock occurs because the body releases its heat too quickly.

Excessive temperatures raise the blood pressure and even a healthy heart must work harder in order to cool the body. The oldster is handicapped because a 70-year-old heart is rarely perfect and the coronary arteries are likely to be narrowed.

THESE HAZARDS are avoided by taking it easy when it is hot. Rest periodically and drink plenty of water to compensate for the loss of fluid through sweating. Dress suitably, wear clothing of porous material. Light colors reflect the heat. Avoid the blazing sun and wear a wide-brimmed hat when out of doors.

Air conditioning is a boon to those with heart trouble. It spares the old ticker, promotes sleep, and improves the feeling of well-being.

(Dr. Van Dellen will answer questions on medical topics by mail if stamped, self-addressed envelope accompanies request.)

INSECTS—POISON IVY

A.W. writes: I believe insects carry poison ivy. They infest the brush and could easily carry the oil on their feet. I never have found any reference to this means of contacting it. What do you think? I often am called upon to guide nature hikes, hence my interest in the subject.

REPLY

Your theory is good but I wonder if insects land on poison ivy or are capable of being contaminated with the poisonous oil. Why not make this a research project?

WATERLOGGED TISSUES

E.P. writes: Is dropsy ever cured?

REPLY

Yes, depending upon the cause. Dropsy is a symptom and not a separate disease. When the tissues are waterlogged because of a thyroid deficiency, for example, the excess fluid disappears after thyroid extract is administered. When heart disease is responsible, the use of digitalis, a low salt diet, and a diuretic usually encourages elimination of the fluid.

BILE IS NORMAL

O. D. writes: How can bile be corrected?

REPLY

Bile is manufactured in the liver, stored in the gall bladder and used to digest fats. It is not a disease, although some persons use the expression "bilious" to describe certain types of indigestion.

IT'S SAFE

T. T. writes: Our family doctor has advised my dad to have his tonsils out. Don't you think this is bad for a man of 52? A friend of ours, a surgical nurse, told mom it would be fatal.

REPLY

Your nurse friend is mistaken. Tonsillectomy can be done safely in a healthy man of 52.

LAW IN ACTION

From the State Bar Of California

People's Courts: Small Claims

The Small Claims court is surely a people's courts. It offers a speedy and informal way to settle small cases, thousands of them.

As early as 1606, London created a small debt court for debtors and creditors which worked well. But, America had no small claims courts until the early 1900s. California began hers in 1921.

With rare exceptions the small claims court handles only money disputes of $200 or less. Any other actions such as injunctions, adoptions, divorce, or land disputes comes before other courts. Minor auto accident lawsuits, other small damage suits, nonpayment of rent, unpaid goods and services, and small unpaid debts account for most of the court's time. A municipal court or justice court judge presides.

As a rule, small claims hearings each week are short and informal. No attorneys are permitted, just the judge. If the loser dislikes the decisions he can ask for a new trial in the superior court.

The costs are small for filing the suit, serving the summons, and hearing the case.

After a person has been served the "complaint," he may come to court to defend the claim. If he does not, he loses by "default." He need not file papers to defend his case, but he can "cross-complain" and ask for damages against the plaintiff. He cannot sue for more than $200 except in a higher court.

The judge may ask most questions to get all the facts. Both parties may tell their sides. Cross-examination is seldom allowed, and the judge asks the questions for each party. The main thing is to keep the hearing simple throughout.

No attachments or garnishments are allowed before judgment in these cases. Once a judgment is awarded, the creditor can enforce it by seizing the debtor's property or wages. The sheriff or marshall does this, not the parties. If the judgment is not paid, the creditor can make the debtor tell the court about his assets.

Age Trees For Aged Whiskey

LOUISVILLE (AP) — A distillery has launched a do-it-yourself project in raising whisky barrels.

The distillery set out 13,000 hardwood seedlings in Kentucky, many of them white oak. In about 50 years, these will be mature enough to turn out the barrels in which whisky is aged.

"If someone doesn't start planting them now on a large scale, there will not be enough to supply commercial demands in the years ahead," said Ralph Dupps, an executive of the distillery.

The company has started or plans similar programs in Tennessee, Louisiana, Illinois and Arkansas.

Meat Sales Up

CHICAGO (AP) — The American Meat Institute says that the total sales of the nation's meat packing industry reached a record $14.6 billion last year. This is two per cent above the $14.25 billion record of 1963.

Vandals Slash Store's Sale

CLOVIS, N.M. (AP)—A Clovis furniture store advertising slashed prices opened its doors the next morning to find slashed furniture.

Owners said vandals had broken into the store during the night and destroyed about $2,000 in new sofas and chairs, apparently with a razor blade.

The store announced a slashed furniture sale.

American painter Abbot Thayer was born on this day in 1849.

On this day in history:

In 1867, President Andrew Johnson appointed Gen. Ulysses Grant secretary of war.

In 1877, Thomas Edison completed a crude model of the first talking machine.

In 1898, a peace treaty was signed ending the Spanish American War.

In 1936, Germany's Nazi government announced it would not intervene in the Spanish Civil War.

A thought for the day— English novelist and playwright Somerset Maugham said: "People ask you for criticism, but they want only praise."

When a man goes out of his way to give himself a hotfoot you can tell him exactly what you think of such foolishness.

Then the same sort of thing happens at the bridge table, all you can say is: "Very unlucky, partner."

South won the first trick in his own hand to lead a diamond toward dummy. South didn't know it, but he was already a victim of his own foolishness.

TAKES KING

East took the king of diamonds with the ace and returned the nine of spades. South lost a finesse to the king, and back came the jack of spades. South held off, but had to win the third spade.

Now South had to lead a diamond to dummy's ten since he couldn't afford to lead the jack of diamonds.

East shrewdly allowed dummy's ten of diamonds to hold the trick.

WIN IN DUMMY

South could get back to his hand with the ace of clubs to set up the diamonds, but then could never get to his hand After a long struggle South was down two.

It was correct to go after the diamonds, but South could not afford to waste one of his precious high clubs at the first trick.

He must win the first trick in dummy with the king of clubs and lead the king of diamonds from dummy.

LEADS SPADES

East wins and leads spades, and South loses a finesse and refuses the second spade. After winning the third round of spades, South leads a diamond to dummy's ten.

The difference is that South still has two high clubs in his hand. He leads to the queen of clubs to return the jack of diamonds, and can get back with the ace of clubs to cash the rest of the diamonds.

South wins three diamonds instead of only one, and this is enough to assure the contract.

What do you say?

Answer: Bid two hearts.

You have 7 points in high cards and 1 point for the doubleton. You may also count 1 point extra for strength in partner's bid suit, but even with 9 points a single raise is still proper.

Utility Line Suit Asks $1 Million

The Meadows at Terra Linda, an apartment project, yesterday slapped a one million dollar damage suit against J. and K. Construction Co. of San Rafael for allegedly digging a short utility line across The Meadows property.

The suit, filed in Marin Superior Court, asks $500,000 general damages and $500,000 exemplary damages. Judge Joseph G. Wilson granted a temporary order restraining the construction company from further digging and scheduled 2 p.m. Monday for the defendant to show cause why a requested permanent injunction should not be issued.

Robert Corlett, San Rafael attorney representing The Meadows, said the two-foot-wide line —presumably for water or sewerage—was dug without permission Tuesday across Manuel T. Freitas Parkway at Lea Drive, property owned by The Meadows and not dedicated as a street.

The line, about 18 feet long, has been filled back in with dirt, according to a spokesman for The Meadows, but asphalt had not been replaced by noon today. Corlett said J. and K. Construction Co., of 91 Smith Ranch Road, is building a subdivision north of The Meadows and the line presumably leads to that.

Sanford B. Weiss, Beverly Bills, and Calvin C. B. Wheeler, Pebble Beach, are owners of The Meadows, 910 Lea Drive.

TELEVISION REVIEW

Berle Getting Ready To Appear As Guest

By ROBERT MUSEL

NEW YORK (UPI) — Milton Berle, the "Mr. Television" of the era ending in 1951, has been busy accepting appearances on all three networks now that his extraordinary contract with NBC has been "readjusted."

For 14 years the great comedian was on a retainer, reported to be $100,000 a year, from NBC under a deal tying up his services till 1981. The idea, Berle came to feel, was not so much to use him as to keep him from the impatient clutches of CBS and ABC.

Last year the comedian complained he was being treated like a wealthy office boy by NBC, waiting in anterooms while his ideas for new series were being vetoed.

"I'm a ham and I've got to work," he said.

Berle was permitted to make guest appearances only for NBC — until now. Under the readjustment he is believed to have taken a cut of $40,000 a year which still gives him a comfortable $60,000, exclusive of any fees he might earn, on NBC alone.

And he is free to go anywhere the action is. So although he is filming "The Oscar" for Joseph E. Levine in Hollywood he is keeping the phones busy to his own agents. He has already signed for Hollywood Palace and Mr. Roberts (both ABC), the Lucy Show and the Red Skelton show (both CBS) and the Dean Martin show (NBC).

He will also appear on the Ed Sullivan show (CBS) and he has a bid, which he will probably accept, from What's My Line (CBS).

Teen-agers unfamiliar with the talents of Berle can ask daddy how it was in the days when his show brought the nation to a standstill while in the ratings the name of "Uncle Miltie" led all the rest.

Recently Sid Fields, the eminent comedy adviser to the Jackie Gleason show, said the public was looking for miracles if it expected a boundless reservoir of fresh jokes on TV programs. Comes now George Q. Lewis, an authority on comedy development in the United States, with a plea for more OLD jokes on TV.

Lewis, who trains young comedy writers, is compiling "The Joke Hall of Fame," 2,500 jokes which have stood the test of time. He says some of them go back to the original Joe Miller collection of 1739.

"Any joke which is still around after years or decades or centuries must have a basic appeal," Lewis said. "It's a pity to lose this in the desperate search for something 'new'. All the writer has to do is bring it up to date and TV audiences will laugh as their fathers and grandfathers did.

"I'd personally rather hear a good old joke than a poor new one. Surveys show most people feel the same."

Lewis offered this example of a resilient oldie:

"What's cooking?", asked the Cannibal chief. "Two old maids." "Darn," said the chief, "left-overs again."

Drilling for underwater oil is several times more expensive than land drilling. A test well costs about three million dollars.

Red Paint Is Daubed On Homes

At least 10 Sleepy Hollow homes and six street signs were discovered daubed with red paint Tuesday morning, according to several sheriff office reports.

The vandals, striking sometime Monday night or yesterday morning, usually made a blotch and then underlined it with a thick streak.

Main area hit was along Van Van Winkle Drive and Butterfield Road.

The sheriff's office said complaints began about 7:30 a.m., when residents left their homes to go to work and noticed the painting.

Victims included the residences of John Wisnom Jr., 830 Butterfield Road; Robert O. Keller, 150 Van Winkle Drive; Ken Ackerman, 811 Butterfield Road; Andrew Cordano, 250 Van Winkle Drive; Dale Black, 215 Van Winkle Drive; and K. J. VanArnum, 101 Van Winkle Drive; Frank Rose, 255 Van Winkle Drive, and W. F. Wedel, 737 Butterfield Road.

Morlocks To Take Part In Program

The Morlocks, a rock 'n' roll group from Marin County, will be taking part in the supporting program when the popular recording group from Britain, Herman's Hermits make a one-night stand Saturday in San Francisco Civic Auditorium at 8 p.m.

The local group comprises Drake High School students Gregg Elberg, lead guitar; Larry Gerughty, electronic organ; Norman Meister, vocalist; Dick Williams, base guitar and banjo and San Rafael High School student Don Abbett on drums.

Non-Catholics In Nuptial Mass

WASHINGTON (UPI) — The Holy Office in Rome has notified Roman Catholic bishops they may allow celebration of a nuptial Mass at marriages of a Catholic to a non-Catholic.

The action, which leaves whether the change will be put into effect in individual dioceses up to each bishop was announced her yesterday by the National Catholic Welfare Conference (NCWC).

The Holy Office also granted bishops permission to allow non-Catholic clergymen to give a sermon, prayer or blessing in the house of one of the marriage partners following the wedding. This may not be done in the church, however, the NCWC spokesman said.

Automation Spreads In Legal Profession

MIAMI BEACH, Fla. (AP) — Automation in the legal profession is spreading, says a law researcher.

Ellias C. Hoppenfeld of New York City told the American Bar Association that 5,000 lawyers there use a computer for legal research. "The computer, programmed with a staggering library, tests the relevance of cases to a legal problem at the rate of 120,000 a minute," he said.

Lower Voting Age Proposed

WASHINGTON (UPI) — Rep. Charles L. Weltner, D-Ga., has proposed a constitutional amendment to lower the national voting age to 18.

Weltner said in introducing his proposal yesterday that soon half the population of the United States will be less than 25 years old. He said these young persons were shouldering many of the nation's responsibilities, including fighting in the armed forces.

It is now up to the states to set the minimum age for voting. With the exception of an 18-year-old minimum in Georgia and Kentucky, the minimum age is now 21 in all the states.

Belli Will Speak At Prison Dinner

Attorney Melvin M. Belli was chosen to speak tonight at the annual dinner of the Inmate Advisory Council of San Quentin Prison.

The council is a group of 50 inmates elected by the prisoners at San Quentin to represent them in regular meetings with the warden. Belli's speech to the group, to be given in the south dining hall of the prison, is titled, "The Anatomy and Benefits of Misfortune."
